Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
And for the speedy cure of the subjoined varieties of Disease:
Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1860.
J. C. AYER & Co, Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was advised to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,
ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration of the uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1850.
DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.
I have cured with it, to my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.
Fraternally yours, G. V. LARTMER, M. D.

Rheumatism, Gout, Liver Complaint,

INDEPENDENCE, Preston Co., Va., 6th July, 1859.
DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that tried have when making the cures which have won so strongly upon the confidence of mankind.

MOTHERS

Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains
NO PAREGORIC OR OPIATE
of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD

Healthy human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are
FIVE PREPARATIONS
adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2, for Liver Complaints, No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weaknesses, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5. In all cases the directions must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

THE ONLY DISCOVERY,
WORTHY OF ANY CONFIDENCE FOR
RESTORING
THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

Bath, Maine, April 18th, 1859.
PROF. O. J. WOOD & Co.: Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has no doubt been basely imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a grey hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear sir, yours.
A. C. RAYMOND.

AARONS, Ran Ky., Nov. 30, 1858.
PROF. O. J. WOOD: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the orizional was. I will therefore take occasion to recommend this invaluable remedy to ALL who may feel the necessity of it.
Respectfully yours,
REV. S. ALLEN BROCK.

P.S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited:—but if you think it worthy a place among the rest, insert if you wish; if not destroy and say nothing. Yours, &c.,
REV. S. A. B.

The Restorative is put up in bottles of three sizes, viz., large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.

Health and its Pleasures
OR
DISEASE WITH ITS AGONIES:
CHOOSE BETWEEN THEM.
Holloway's Pills.

NERVOUS DISORDERS.
What is more fearful than a break down in the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found. There is one: drink but little wine, beer, or spirits, or far better, none; take no coffee,—weak tea being preferable; get all the fresh air you can; take three or four Pills every night: eat plenty of solids, avoiding the use of slops; and forget you have any nerves.
MOTHERS AND DAUGHTERS.
If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.
SICK HEADACHES AND WANT OF APPETITES.
These feelings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for use, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.
DISORDERS OF THE KIDNEYS.
In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.
FOR STOMACHS OUT OF ORDER.
No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm,—in fact they never fail in curing all disorders of the liver and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases:

Ague	Fevers of all kinds	Sore Throats
Asthma	Fits	Stone and Gravel
Bilious Complaints.	Gout	Secondary Symptoms
Blotches on the skin	Head-ache	Tic Douloureux
Bowel Complaints	Indigestion	Tumours
Colics	Inflammation	Ulcers
Constipation of the Bowels	Jaundice,	Venereal Affections
Consumption,	Liver Complaints	Worms of all kinds
Debility	Lumbago	Weaknessfrom whatever cause,
Dropsy	Piles	&c., &c., &c.
Dysentry	Rheumatism	
Erysipelas	Retention of Urine	
Female Irregularities	Scrofula, or King's Evil	

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
*** Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents, and $1 each.
☞ There is considerable saving by taking the larger sizes.

Ayer's Cherry Pectoral

MARK THESE FACTS!
The Testimony of the Whole World,
HOLLOWAY'S OINTMENT.

BAD LEGS, BAD BREASTS, SORES AND ULCERS.
All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a bogey diseased condition remains underneath to break out with ten fold fury in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflamation in and about the wound and to soothe the neighbouring parts by rubbing in plenty of the Ointment, as salt is forced into meat.
DIPTHERIA, ULCERATED SORE THROAT, AND SCARLET AND OTHER FEVERS.
Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Whoever tries the unguent in the above manner for the diseases named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.
PILES, FISTULAS, STRICTURES.
The above class of complaints will be removed by nightly fomenting the parts with warm water, and then by most effectually rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as
