RESTORING THE BALD AND GRAY. Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to. leave the field to its resistless sway. Read the

Bath, Maine, April 18th, 1859. Prof. O. J. Woon & Co.: Gents :- The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching acts in the case. The enquiries are first, is it a fact of my babitation and name, as stated in the communication; second, is it true of all therein contained ; third, does my hair still; and better colored ; the same is true of my siekness is creeping upon you, | whiskers, and the only cause why it is not genin the manufactuae and sale of various com pounds as well as this, it has no doubt been basely imitated and been used, not only without any good effect, but to absolute injury. have not used any of your Restorative of any | Kingston, Oct. 6, 1860. account for some months, and yet my hair is as good as ever, and hundreds have examine it with surprise, as I am now 61 years old and not a grey hair in my head or on my face : and to prove this fact. I send you a lock of my hair taken off the past week. I received your AND OTHER POEMS, & LYRICS and conveniences. favor of two quart bottles last summer, for i which I am very grateful: I gave it to my | TOR Sale at the City Book Store. friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority rom you. A pure article will insure success. and I believe where good effects do not follow. the failure is caused by the impure article, which
