Only \$1,00 per Gallon. ALBERTINECOALOIL

FIGHIS OIL has been a great favorite in vogue, but on account of its very high price has not been thoroughly introduced here. It is made from the Albertine Coal of Newfoundland, and is entirely free from the adulterations mulgenous to Earth Oils as Naptha, Petroleum, &c. It will burn longer and give a more brilliant light than) any other Oil, and is at least twenty-five per cent cheaper. Wananted free from

offensive smell and smoke.

Give it a trial, and if not found as represented, your money will be cheerfully re-turned. A liberal discount made to wholesale dealers by the barrel. For sale at the Medical Hall. G. S. HOBART.
