A NOVELTY IN THE ART WORLD! PHOTOGRIPHY UPON PORCELAIN Secured by letters patent in the United States.

England, France and Belgium. FITHE AMERICAN PHOTOGRAPHIC POR CELAIN COMP'Y, No. 781 Broadway, NY having secured their novel and ingenious in vention by American and European patents. are fully prepared to execute all orders for Miniature Likenesses of persons on China presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity - portraits can be reproduced with faultless : acuracy. and deligacy of delineation, upon Porcelain wares of any description and dimension used as articles of havary or of household utility. such as Uros, Vases, Breakfast Cups, Toilet Articles, &c. ; thereby securing faithful portraits and turnishing a unique and exquisite style of urnamentation of articles in domestic

In order to furnish facilities for the gratification of the popular taste, and to meet the! wants of those patrons of the Fine Arts desirous of having Portraits on Porcelain, Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sell at cost pri-

As the American Company are owners of the patent right, and consequently the only per sons authorized to use the propess, they have determined, in order to afford people in ever section of the Union an opportunity to possess PORTRAITS ON CHINA,

to make the following proposition to residents in the Country, who are muchle to visit person ally the Atelies and Galleries in New York.
