MARINE NEWS. .

DROWNED ON THE LAKE .- The Buffalo Republic says that Charles Mecker, a promisin young man, was knocked overboard from the

The propeller Dabuque, Capt. Litta, which arrived at this port briday afternoon with a cargo of wheat from the Welland Railway, and test here yesterday for Port Dalhousie, without reporting at the Custom House, returned this moroing disabled, having lost her rudder blade

Weese, and Jas. Carr (painter), were proceedog to Computeting Point in a large sail-hout she samia doff . Lawrence's' point, during a equall, and two of them. Capt. Hunter and Jan. Carr, were drowned Worse saved himself by clinging to the must, and thade two or three efforts to save limiter, who sunk in a short time; he could not awim. Carr struck out for the shere, which was only some 300 jards distant, but after swiming about ball way be prisinglely was sefmed with cramp, and sank immediately. Loth men leave a wife and two or three children. Capt. Hunter was a cober, industrious young man, and was proceeding at the time of the secret at to languols a new vester! b longing to the Mesers. Bogart, which be w a to have commanded next summer. - His body has been found, and an in inquest was held thereon by J. P. Macdonald, Coroner. - The tredy of Carr bas not yet been recovered.

Parties have been at work for several days in preparing to raise the barque City of Ogdensburgh, which is sunk in front of The steamship Palestine arrived to-day the town. Two large vessels, the Quebec from Liverpool on the 8th, and Londonderry and the William Penn, are used for the purpose, and it is expected that before many days her deck will be above water.

On Saturday last, a new iron steamboat, built for the Richelian, Steamboat Comand the Ariadne, passed the Bill of Port- pany, by Mesers. Bartley & Gilbert, of Montreal was launched in that City. Before reaching the water she was named by Madame Laurent, in company with J. F. Sincennes, Esq., M.P.P., President, 'The The Post's Paris correspondent says the | Montreal.' Her length, as we mentioned

> Wood's RESTORATIVE .-- Of all the restoratives for the hair that have been invented. Wood's pre-eminently claims the first place. If will certainly restore the natural color of the hair, if the directions are followed for a sufficient length of time. It also them grow again; but where there is any vitality left in the root, the restorative will soon renew the hair in all its pristine vigor. It has done this repeatedly when all other while in all cases to make the experiment.

Sold by all respectable Druggists. 268
