The usual Programation has been issue the Mayor as Chairman of the Board, dering that all yards, cellars, stables, our lanes and alleys, be cleansed all filth and nuisance by the owners t persons occupying the same, before t 15th of March next. If not complying with this order, they are liable to be fined in a sum of from \$4 to \$80. He also orders that after the First of next month, no states that the 2nd Battalion of the 4th Foot, | pigs shall be allowed inside the city limits, and further that no slaughter houses will be tolerated in the city. The place assigned for the deposit of nuisance until the breakit up of the ice, is in the main channe out from Point Frederick. These precau tions are very necessary for the health the City at all times, and will be more beneficial should the cholera find its way to the continent. The Police being special! enjoined to carry out the provisions Proclamation, yesterday warned sever tenants and landlords of what was required of them. The Board of Health make their Inspection of the City in the middle o March, and will vigorously prosecute all who fail in cleansing their yards, &c., befor that time. The Police are also notified report any offensive smell from Chandler's shops and places of a-like sort, and the Board will see the nuisance abated.

FROM THE MOST DISTINGUISHED ARTISTS TO MESSRS, STEINWAY AND SONS. New York, December, 1864. "HE Piano-Fortes, Grand, Square and Upright, manufactured by Messrs.

Steinway & Sons, have established for themselves so world-wide a reputation, that it is hardly possible for us to add anything to their just fame. Having thoroughly tested and tried these instruments per-onally for years, both in public and private, it becomes our pleasant duty to express our candid opinion regarding their unquestoned superiority over any
