Rose, semains nothing but well and there just, over which there is no reason to anticis pate any serious difficulty .- Leader . New York, March 28 - Tone of the morn-

ing press in reference to the President's veto of the civil rights bill The Heraid says the President's objections

on constitutional grounds exhibit this bith as involving the most Magrant devices for overriding the States in their legislatures and judical tribunals ever attempted in Congress We had supposed this hill to a new shape, a sort of reproduction of the old slave law; but THEY ARE COMING. - The far-famed under the searching analysis of Andrew Johnson it appears a thousand times worse than the rejected freedmen's bureau experiment, making their annual tour of Canada, and and nothing less than a bill of unconstitutional, abominational abomination from begining to end. The objections submitted against the first section of the bill, however, are those which mark the impassable barrier between him and the ruling Radicals of Congress. The veto, is in fact, an emphatic deciaration of war against the Radicais, and their reconamongst whom are Sig. Gustave Bideaux struction system root and branch. Henceforth there can be no party endorsements of the policy of Congress occupied with professions of adhesion to the policy of the administration. Benedict, the ne plus ultra of 'end' men.

The Tribune says : Let us thank Mr. Johnson that his voto is so sweeping ; be might have purased it more countingly, but he bas chosen to let us know that it is not this particular bid that has provocked his opposition but the any measure whereby Congress shall attempt to protect the Southern blacks against white abuse and oppression, must encounter his determined deadly opposition.

treal papers take any notice of a Money Referring to the volue, the Times says : .... But we venture to think that no state papers have ever been given to the World that will so thoroughly compel the attention of thinking men of whatever creed or Kindred or party:----The analysis of the details, however, is of so keen and reaching a character, the logic is so irresistible that we should hope even the strongest advocates of measure will see how vantly important it is that the constitutional power should be incrusted to a President esdowed with judgment, discretion and most

ancommon courage. New York, March 28 .- The alleged principal in the great robbery of \$150,000 from the office of R. G. Lord has been apprehended, and there is a strong probability of the stolen property being recovered. The suppused this? was captured at Newburyport New York, Murch 28 .-- The steamer Bre-
