THE WEATHER.—March went out with a Snow Storm, not Snow to make Sleighing, but enough for wet and nastiness. This month of March just ended has been one of the most disagreeable ever known in Canada, disagreeable enough to make people pull up stakes and go to some better clime. But now that April has opened, let us hope for finer weather—it will come sooner or later, and we must be patient.

JOSEPH HICKSON,
Secretary & Treasurer.

Montreal, March 29th, 1866.

THE SURPLUS EARNINGS.—The Perth Courier of last week said:—The County Treasurer, W. Fraser, Esq., in presenting his usual quarterly report to the Quarter Sessions, which commenced last Tuesday, acknowledged having received the sum of three thousand dollars from J. G. Richardson, Esq., President of the B. & O. Railway, as the surplus earnings of the road for the year 1865.

OUR OCEAN STEAMERS.—It would seem that the new steam navigation company, whose vessels have been plying between Liverpool and Montreal, has not been a success. They put three vessels on the route—the Thames, the St. Lawrence and the Ottawa. At the second annual meeting of the shareholders, in London, the question whether the vessels should be withdrawn from this route or continued on it was raised, and a committee was appointed to examine and report upon it. The result has not yet reached this country. The three vessels of the company have made a total distance of 100,000 miles, and their gross earnings were £68,000; but these did not nearly equal the expenses. It was this condition of the finances that gave rise to the question whether the vessels ought to be continued on the route or withdrawn. That question will be decided on the chances or the hopes of the future. The experiment will determine whether an independent freight line of steamers, distinct from those of Allan & Co., can at the present time succeed on the St. Lawrence route.

SPECIAL NOTICE.

WONDERFUL CURE
OF
Consumption,
BY
THE GREAT SHOSHONEES REMEDY,
IN CANADA.

I, ANGUS PRINYEA, of Fredericksburg, County of Lennox & Addington, C.W., can, for one, truly bless God for the discovery of the Great Shoshonees Remedy which has indeed snatched me as a brand from the jaws of death. Suffering for a length of time from Consumption, last August I became confined to my house; I coughed dreadfully day and night, I expectorated quarts of greenish looking matter and large quantities of blood; I could scarcely sleep at all, and when I did doze night sweats burst forth fearfully, which the doctor tried but in vain to arrest. My bowels were costive, I lost my appetite, and what little I eat I mostly vomited. My head ached almost constantly, I was so suffocated that I could hardly breathe, and reached with pain. I became so reduced that I could hardly stand alone, and, indeed, an object of pity at the verge of the grave. I took Quinine, Cod Liver Oil, Citrate of Iron, and Quinine, Cough Mixtures, &c., &c., but still grew worse and worse. I was attended by physicians who told me to prepare for death, which was my only hope; but I thank God that about two months ago this Great Indian Remedy was introduced into Canada. I grasped it as the last hope; I have taken it with the pills ever since, and now my cough is but little, the expectoration of greenish matter and blood have stopped, I sleep well, night sweats has ceased, my bowels are regular, my appetite is good, Vomiting a Headache have stopped, I breathe easy, and suffer no pain. The Doctor examined my lung the other evening, said it was open again, and for God's sake to stick to this Indian Remedy. I am now feeling hearty, have been out visiting, and have lately, to a certain extent, resumed my former occupation, and all praise, through the blessing of God, to the Great Shoshonees Remedy.

This I solemnly delare under oath, in the presence of God, as follows.

ANGUS PRINYEA.

THAT THE

GREAT SHOSHONEES REMEDY

OF THE CELEBRATED INDIAN, DR. LEWIS JOSEPHUS, OF THE DISTINGUISHED TRIBE OF SHOSHONEES, BRITISH COLUMBIA, IS NOW FOR SALE IN CANADA.

THIS all-possessing Great Indian Remedy is warranted, and in broad and emphatic language, we can safely say may be relied upon to make a permanent cure of all Diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the third stage of Consumption. In the Western Country, where this Great Remedy has been in use for a short time, it has indeed affected some of the most Marvellous Cures, ever recorded in the annals of Historical Medicine. Such being the case, in addition to its former renown and celebrity, we defy humanity to dispute the fact, that this, the Great Shoshonees Remedy, in connection with the Shoshonees Vegetable Restorative Pills, is the Remedy of Remedies of the 19th Century, and the greatest boon ever laid at the altar of suffering humanity. For the discovery of this Wonderful Remedy, the world is indebted to Dr. Jasper, formerly of St. Louis, Mo., who spent, before he succeeded, over two long years in Columbia, endeavoring to obtain from Dr. Josephus the life-long secret of preparing it. Dr. Jasper, with Dr. Hall and several other physicians of St. Louis, witnessing the astounding curative effects of the Great Shoshonees Remedy, entered into combined cogitation for the purpose of ascertaining the peculiar mode of action of this Great Remedy, and the result of their researches was that the wonderful healing properties of the Remedy were due, not only to its salutary effect upon the blood and the organs themselves, for diseases of which it is recommended, but also on the Digestive Organs and more particularly upon the Lacteal Vessels, which Lacteal Vessels combining the New Theory of Disease, as well as history of the Discovery of the Remedy, Certificates of Cures, &c., &c., are fully laid down in the Treatise accompanying each bottle of the Remedy.

☞ Price of the Remedy in large Pints $1.

For sale by all Druggists and Dealers in Medicine.
