UESDAY MORNING, APRIL 17, 1866

LETTERS & TELEGRAMS.

A. A. C., New York.

FEALLNISM AT CHICAGO.

DEAR DOCTOR,-

The accompanying from this morning's saue of one of our most influential Western papers -- The Chicago Tribune -- will give you a pretty correct idea of how Fenians and Fenianism are looked upon here. The article expresses the sentiments of every intelligent individual throughout the United States, and I think you might o worse than lay it before your readers.

Fenianism is looked on here as the most silly farce of the age, and none treat i with more thorough contempt than the respectable. Irish. The whole thing is confined to those individuals who canno or will not be satisfied in any country, it matters not how good the Government, If all the Fenian war preparations are as harmless as our "Chicago Gunboats" (which all here seem to think) you need not but you will be prepared to receive | book furnishes complete instructions ing had a good chance to exhibit their new | work, and cannot fail to be much enquire doubtless, you can safely dispense with their services until you make your 1867 cails. Let them now make an effort to earn a livelyhood by giving to some less hazardous profession their time and attention, and in future I trust the columns the 'Whig.' will be filled with something preferable to Fenian bubble sensation You need not say who sends you the ex-
