KINGSTON COMMERCE AND MARINE.

The weather yesterday was even more disagreeable than Tuesday's wind and rain. It was quite chilly all morning, and a few flurries of snow made everything seem like a second winter. However, the weather cleared up in the afternoon, though the wind remained quite cold. Of the numerous American vessels which laid off the wharves on Tuesday, only the brig New York remains, the others having taken advantage of a lull in the weather to leave for the Welland canal. The schooner Governor left yesterday afternoon for Bath to load wood for Toronto.

The steamer Kingston leaves for Toronto this evening as announced. The steamer St. Helen is expected to make her first trip from Montreal to Trenton about the latter end of the week. The steamer Osprey, Capt. Patterson, loaded for Hamilton, left for Gananoque yesterday, prior to proceeding up the lake. The propeller Indian, wooded at Gananoque on Tuesday, and passed up the same night bound for Port Dalhousie. Strange to say, there is not half a dozen cords of wood in the city that can be procured for the use of steamers, and consequently, so many boats have to drop down to Gananoque to procure what supplies they want.

A telegram received yesterday from Port Colborne, stated that the schooner Orkney Lass of Kingston, had left there for Chicago, being the first boat out. She was followed by a large fleet principally Kingston vessels.

The following reported having arrived at the Custom House yesterday:—Sch. Hibernia, Hamilton, 6460 bushels of peas, Glassford, Jones & Co.,—since cleared for Milford; schooner Eureka, Hamilton, 12,000 pipe and 12,000 W. I. staves, Calvin and Breck; schooner Flying Cloud, Hamilton, 2,000 pipe, and 36,000 W. I. staves, Calvin and Breck. Reported outwards—propeller Indian, light, Port Dalhousie; barque London and brig Liverpool, (Garden Island;) light, for Wallaceburg; schr. Elk, (at Garden Island,) light, Hamilton; schooner Governor, light, Bath; steamer Osprey, iron and sundries, Gananoque.

OSWEGO MARINE ITEMS.

Oswego, April 25.—The gale which set in on Monday continued up to this morning and several disasters have occurred to vessels on Lake Ontario. The schooner Bahama, bound from this port to Chicago, with coal, is ashore near Oak Orchard creek. The schooners Monticello and Traveller, bound from French Creek to Detroit light, are ashore, the former at the Devil's Nose, and the latter at Thirty Mile Point. Steam tugs and pumps will be sent to their assistance.

The schooner Raleigh arrived in port this morning from Canada with the loss of a deck load of lumber.

The schooner Coral, from Ogdensburg, is ashore three miles below the Devil's Nose.

The propeller Buckeye arrived here today from Toledo. This is the first vessel from Lake Erie and through the Welland Canal this season. The captain of the Buckeye reports that he passed through about sixty miles of floating ice on Lake Erie.

VESSELS PASSED THROUGH THE WELLAND CANAL.—April 10.—Schr J. S. Clark, Toronto to Cleveland, sundries. On the 24th—Schr J. T. Warner, Oswego to Chicago, salt; Prop Michigan, Toledo to Ogdensburgh, corn, &c.; Schr Son & Heir, St. Catharines to Chicago, no cargo; Bark Gen. Burnside, Clayton to Detroit, no cargo; Schr Selkirk, Clayton to Saginaw, no cargo; Schr Clayton Belle, Kingston to Saginaw, no cargo; Schr Jefferson, Clayton to Chicago, no cargo; Bark Mary Jane, Kingston to Port Dover, no cargo; Schr Kearsarge, Clayton to Detroit, no cargo.

THE SPRING FLEET.—The papers brought by the steamships St. David and Persia report the sailing of 101 vessels for Quebec. This is exclusive of those already reported.

TROUT FISHING IN EAST FLAMBORO'.—The trout fishing season has just commenced. Mr. James McMonies, jr., was out for a days' sport in Carlise last week, and succeeded in catching two splendid fish, one measuring 18 inches in length, and weighing 34 ounces, the other measuring 15 inches. These are the largest trout ever caught in that vicinity, and we expect will be hard to beat.—Spectator.

PORT STANLEY MARINE ITEMS.

Captain Duncan McPherson, of Port Burwell, was drowned by falling overboard from his vessel, the Lousie, on her first trip across to Cleveland last week. His body has not been found.

Captain Berge, of the schr. 'Starlight,' of Port Burwell, fell from the fore-cross trees to the deck, severely injuring himself. He had been aiding in steping the fore-top mast, missed his hold, and fell backward. Hopes are entertained of his recovery.

The schooner Tom Wrong, belonging to Mr. Eakins, of Sparta, was sold last Tuesday for $5,000 to Lieut. Gubbins.

WORMS! WORMS!

Now is the season of the year when parents cannot be too careful of the health of their little ones, and drive from their system all impurities which feed and harbor WORMS.

Dr. McKenzie's Dead Shot Worm Candy Stick

Will prove an effectual remedy, and can be safely administered to the most feeble infant, having no CALOMEL or other MINERAL SUBSTANCES CONTAINED IN IT.

Too much cannot be said in its praise, and we would earnestly advise all who need a safe, pure and reliable worm-destroyer, to use it in their families, well knowing that once given a fair trial, it will soon become a permanent institution in every household.
