POLICE COURT, Monday.—There was an interesting docket this morning. Ann Cremain, a young girl from Ottawa, only a fresh arrival, was brought up for vagrancy, along with Ann Proctor and Matilda Oliphant, two very old and hardened offenders. 'Fresh Hand' had a small sum of money on her arrival, and was not slow in making an acquaintance with the 'old stagers,' who very kindly offered to show her through the city. Finally the whole three got gloriously 'how came you so' over the proceeds of 'Fresh Hand's' purse, and were picked up by the police in the City Park totally unable to take care of themselves. As the case is at present, it is doubtful if they will be able to celebrate the Queen's Birth Day in public. The girl Cremain was ordered to be rent out of the city, and the two others were sent to gaol, to teach them a lesson not to meddle with strange girls in future, and lead them through the same paths of vice as they themselves have fallen into. Joshua Lafrance, a raftsman, and John Powers, a discharged American soldier, were charged with drunkenness. The former was sent to the Island, where he lives, and the soldier paid a fine of $2 for his release. Sarah Cooper was charged by a Mrs. Casey with using abusive language. This being another one of those silly old women's wrangles, the case was dismissed. The complainant acted the bear throughout, and said that 'she proclaimed for peace, and peace she would have.' If she wants peace let her bridle her own tongue.

KINGSTON COMMERCE AND MARINE.

A heavy thunder storm passed over this city on Sunday evening, doing no damage, but bettering the crops infinitely. Since Thursday we have had such fine growing weather, that the seed in the ground has had an excellent start.

A number of vessels ran in during the storm for shelter, and left again yesterday with fair wind and weather, the storm having only lasted a few hours.

The spring fleet from Chicago are coming in slowly. The barque Waterwitch and schooner F. T. Barney arrived on Sunday; the barques Mary Merritt, Acorn, Ralph Campbell and schooner Scare Crow yesterday morning.

The steamer Ranger, from Port Stanley to Montreal, called on Saturday night. The propeller Indian passed up the same night without calling. The steamer Huron, from Montreal to Hamilton, called yesterday.

The Royal Mail steamer Kingston passed down on Sunday morning, and the Champion up the same afternoon. The American Express steamer Bay State passed down on Sunday morning, and up again from Ogdensburg last night. The steamer Bytown, which arrived from Ottawa on Sunday, left for the Capital again yesterday at noon.

Reports at the Custom House:—INWARDS—Propeller Magnet, Montreal, 248 reams paper, Wm. Bowen; barge W. H. Hughes, Merrickville, 140 m. shingles; schooner Hercules, Hamilton, 18,600 pipe staves, 9,000 W. I. staves, Calvin & Breck; tug Frances, Rideau Canal, light, with three barges in tow, laden with 100 tons iron ore and 376,500 feet lumber, G. Chaffey & Bros.; schooner Jessie McDonald, Wellington, 5000 bushels peas and 87 barrels rye flour, J. H. Henderson & Co; barque London, 13,000 feet oak timber, Calvin & Breck; schooner Oriental, Dealtown, 13,500 feet oak timber, Calvin & Breck; schooner Elk, Hamilton, 10,000 pipe staves, 31,000 West India staves, Calvin & Breck; schooner Jessie, Port Stanley, 14,630 bushels of peas, South, Montreal; schooner M. L. Breck, Wallaceburg, 10,000 feet oak timber, Calvin & Breck; tug Dandy, Rideau Canal, with five loaded barges in tow; schooner Belle, Toronto, 3,400 bushels wheat, J. H. Henderson & Co. and M. K. Dickinson; schooner Australia, Pronto, 10,000 bushels corn. OUTWARDS—Barge Bruno, Montreal, 10,500 bushels corn, J. McLennan & Co.; barge Consort, Montreal, 9,950 bushels corn, J. McLennan & Co.; propeller East, Montreal, general cargo; schooner M. L. Breck, light, Wallaceburg; schooner Oriental, Dealtown, light; barge Elk, Montreal, 12,500 bushels corn; schooner Australia, 5,000 bushels corn, Wm. Brough; barge Emma, Montreal, 7,212 bushels corn; barge Carrier, Montreal, 10,015 bushels; tug Relief, Montreal.

AMERICAN INVOICES.—The Official Gazette of Saturday last announces that the authorized discount on American Invoices is declared to be 23 per cent., which per centage of deduction is to be continued until next weekly notice, and applies to all purchases made in the United States during this week.

LOW WATER.—On account of the lowness of the water, it is exceedingly dangerous for a steamer or vessel to attempt to cross the shoal between Shoal Tower and the Railway track. Yesterday afternoon a loaded grain vessel ran aground on this shoal, but was subsequently got off without injury. A short time after this a tow of barges was passing over the same spot, and one of the barges struck ground, causing some little trouble in getting her off. As the shoal is not of a very dangerous kind, no serious accident is anticipated, but captains of boats cannot be too particular in avoiding it.

FIRST SHIP TO SEA.—The first outward ship this season, the Gleniffer, went to sea on Wednesday afternoon. Her cargo, consisting of general produce, was taken in at Montreal, and she was towed down to Quebec by the M. O. S. S. Co's. new iron steamer Rocket.

CANADA WHEAT IN THE UNITED STATES.—A lot of Canada White Wheat was sold a few days since in Oswego, for $3 10 per bushel, the highest price ever paid. For a lot of some 32,000 bushels French and Spanish White Wheat afloat for New York, $3 per bushel to arrive was bid and refused. It is not very long since it was a standing boast on the part of our neighbours that they raised breadstuffs sufficient to feed the whole world nearly, and now they have to import wheat for themselves and pay very handsomely for it too.—Trade Review.

MILWAUKIE AND CHICAGO MARKETS.

Milwaukie, May 19.—Wheat receipts 75,000 bushels; No. 1 f. o b. very firm; more buyers than sellers at $1 69 for spot and regular, and $1 68 seller month; No. 2 do $1 53, firm: flour equal to No 1 Montreal inspection $81; freights on wheat to Kingston 14c.

PROF. VELPANI.

Who is PROF. VELPANI? He was a man of obscure birth, but he has given the world Remedy for bald heads and grey hairs, that will make his name immortal. Hair Restoratives are multiplying on every hand, but the great desideratum is to find an article that will accomplish the purpose for which it is designed without a thick, unpleasant and offensive sediment.

Prof. Velpani has discovered a method of dissolving the ingredients, and holding them in solution, so that there shall be no deposit, and yet without destroying the essential properties of any of the ingredients. It is pleasantly perfumed, may be used at any time, is a splendid hair dressing without oil, and absolutely prevents the hair from falling off or turning prematurely gray.

They regulate and invigorate the liver and Kidneys; they give tone to the digestive organs; regulate the secretions, arrest ons and exhalations, equalize the circulation, and purify the blood. Thus all bilious complaints—some of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness—are entirely controlled and cured by these remedies.

DARLING'S LIVER REGULATOR

Removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction, restores a natural and healthy action in the vital organs. It is a superior

FAMILY MEDICINE

Much better than pills, and much easier to take.

DARLING'S LIFE BITTERS

Is a superior tonic and diuretic; excellent in cases of loss of appetite, flatulency, female weaknesses irregularities, pain in the side and bowels, blind, protruding and bleeding piles, and general debility.

READ THE FOLLOWING TESTIMONY:

James L. Bramley, merchant, 84 Fulton street, New York, writes August 18, 1860:—"I have been afflicted with piles accompanied with bleeding, the last three years; I used DARLING'S *LIVER REGULATOR* AND LIFE BITTERS And now consider myself entirely cured."

Hon. John A. Cross writes, "Brooklyn, March 15, 1860. In the spring of 1859 I took a severe cold, which introduced a violent fever. I took two doses of

DARLING'S LIVER REGULATOR

It broke up my cold and fever at once. Previous to this attack, I had been troubled with Dyspepsia several months; I have felt nothing of it since."

Otis Studley, Esq., 148 East 28th street, N. Y., writes: "August 15, 1860.—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used

DARLING'S LIVER REGULATOR AND LIVER BITTERS.

I passed clotted blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Tebow, 11 Christopher street, N. Y., writes: "Feb. 20, 1860.—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to

DARLING'S LIVER REGULATOR

in affording immediate relief. It is a thorough Liver and bilious remedy."

Mrs. Young of Brooklyn, writes, "February 28, 1860.—In May last I had a severe attack of Piles, which confined me to the house. I took one bottle of

DARLING'S LIFE BITTERS

and was entirely cured. I have had no attacks since."

D. Westervelt, Esq., of South 5th, near 8th Street, Williamsburg, L. I., writes: "August 8, 1860.—Having been troubled with a difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try

DARLING'S LIVER REGULATOR.

I did so, and found it to operate admirably removing the bile and arousing the liver to activity. I have also used it as a

FAMILY MEDICINE.

When our children are out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."

Over his glass his spirits were light,
No one ever was filled with ale more bright.
To his Wife at the wheel, he joyously spoke,
Quivering her with his mirth and his joke.
Send I tell you the ale that his glass foamed o'er
Ah! kept grief and disease far away from his door.
Creighton 'twas brewed by?—'tis really surd.
Best brewer by far, search from east to the west.
Right cheerful, he said to his wife by his side,
Here, if ever in life by ill feelings we're tried,
We'll resort to this ale, for I truly can say,
Envy, hatred and malice 'twill banish away.
Right certain I am that the world will agree,
