MOVEMENTS OF GENERAL SHERMAN,- On Saturday General Sherman attended at the morning parade of the 23rd Regiment, (R. W.F.) on the Champ de Mars. The troops were put through a variety of battalion movements well as the manual, platoon, and bayonet creises, all which they executed with remark ble precision. General Sherman" himself as much pleased with the appearance leaving the ground, was greeted with long. obsers from the spectators-a rather unusual pliment most fully deserved by this crack between themselves on a sufficient test of sent, and Austria must trust to her own an informal manner, the visits and salutations of a number of our leading citizens. In the evening the General left by the Quebec steamer for the Saguenay, whence he will return to this city on Tuesday next. - Montreal

> Four gentlemen have been appointed by the citizens' executive committee for the relief of the Portland sufferers to visit that city, and distribute the funds collected in this city. The treasurer reported the amount of contributions received to be \$101,749. The total amount donated in this city is \$134,910 56, of which \$5.526 was collected in Catholic churches and donated by Catholic passors

----THE FENIANS.

REPORTS FROM THE EASTERN FRON-TIER-ACTIVITY AT BUFFALO.

The Montreal Gazette says :---We understand that the inhabitants of St. Armands have organized a private patrol for the purpose of watching over the safety of their property, in consequence of the reports they have lately received from

St. Albans and other points on the fontier. We learn from a correspondent in the Canada. Settlers on the lands had, at their West that the Fenians are openly drilling own expenses, engaged surveyors to run the at Boffalo, and state that they intend to make another raid. We learn from other correspondents that Fenian arms are being quietly and secretly gathered at Fairfield, Berkshire, and other points along the Vermont frontier. We cannot say in how far these statements are authentic, but they are reported to us with positiveness from

various querters.

THE PRESIDENT AND THE FENIANS Col. Halpin; the editor of the New York Citizen, is in Washington urging the friends of Mr. Johnson to make effort to have the President interfere on behalf of the Fenians of Colonel O'Neil's column, captured in Canada Secretary Stanton has promised to bring the matier before Mr. Johnson, and we may expect some action upon it early next week.
