CATTLE SHOWS AND FAIRS AN-NOUNCED TO TAKE PLACE.

Provincial Exhibition at Toronto September 25th, 26th, 27th and 28th. Show at Crystal Palace on Tuesday, Octo-

and Wednesday, Nov. 21st.

THE NEW MUNICIPAL ACT. (From the Globe.)

For years past amendments have been called for in the law affecting municipal ! twenty-nine clauses, and will occupy some space in the statute book. We will extract all the important clauses and show the changes they effect in the existing law :--In the first place, as regards cities, it is

"The Council of every city shall consist whom shall be the Mayor, to be elected accordance with the provisions of the hundred and second section of this Act."? should read one hundred and finh section

dollars or leasehold to eight hundred dol "In police villages: Freehold or leaseho" to four hundred dollars.

shall not include a term less than a tenancy for a year, or from year to year. "And the qualifications of all persons where a qualification is required Act, may be of an estate either legal

High Bailiff or Chief Constable of any city or town, Assessor, Collector, Treasurer, Chamberlain, or Clerk of any municipality, no Bailiff of a Division Court, no Sheriff's Officer, no person not having no person not have no pers taxes due by him, no Inn-keeper or Saloon - a good deal of caucassing and canvassing keeper, and no person having by himself or his partner an interest in the contract of New Year's time, has, on the whole, been

Provided always, that no person shall be held to be disqualified from being elected a member of the council of any municipal corporation by reason of his being a share- pieces of English intelligence, which have him to renounce the temporal power. ing dealings or contracts with the council not yet been published in the other Cana of such municipal corporation, or by having | dian journals. One of them is very impora lease of twenty-one years or upwards, of | tant, and affects the interests of the Pro- of the naval fight between the Italian and any property from the corporation, but any vinces in the new Federation :--.

"74. All persons over sixty years of age sum is £3,000,090. all persons in the civil service of Crown-all Judges not disqualified by the | leave the country forthwith, and seven of

"75. The electors of any municipality | ... The great advantage which an army Separt at 2:35 p.m. and 2:55 a.m. | tion, who are natural born or naturalized Local Trains arrive at 4:00 a.m.; depart at subject of Her Majesty and of the full age

tors or tenants and who have paid bines of this pattern to be made at Enfield the said Act, respecting the municipal stitutions of Upper Canada.

"76. In cities, towns, townships, and corporated villages, such whether freehold and leasehold each, must have been so rated as of al the actual value following ;---
