DEVOTED ATTENTION TO THE SICE

During the prevalence of cholera in Lon-Bishop Tait and his lady have, for their eroism, earned golden opinions from all It appears that the Bishop of London has visited the squalid haunts of the poo Lately, accompanied by his excellent and courageous wife, he braved the cholera and typins haun's of Whitechapel and other places. He also visited the cholera wards of the London Hospital, spoke to, knelt, and prayed by the bed-sides of the poor plaguestricken patients, his lady all the time keep ing company with her kind and stout-hearted This Fenian business has its lessons for | husband. Such rare and intrepid philanthropy our own people, if they would only heed is seldom met with in the person of a bishop The moral it conveys is, that it is bet- | and his lady, and it certainly speaks volumes ter to conquer communities by kindness for that discrimination which characterized than by arms. England has tried Thad, all the late Lord Palmerston's ecclesiastical appointments. The example thus set by the Sishop of London in visiting the dismal aboles and breathing the pestilence-laden atmosphere of the cholera bot-bed in the east end of London must have a good effect not only on the clergy of his diocese but on the prople in general. And although the example of her ladyship is the nearest approximation to the noble and courageous conduct of the French Empress, yet it will do much to dispefrom the minds of the lower orders that contempt which they imagine the aristocracy entertain towards them.

> FENIAN PRISONERS RELEASED. - Seven of the prisoners captured in the neighborhood Fort Erie were released yesterday from the old jail, where they have been confined since une last. An inquiry into their cases ed that they had no connection with Fenian raid from Buffalo .- Leader.

THE FENIANS .- The New York Herald's report of the doing of the late Congress, which like that of the rest of the press, is somewhat meagre, puts the receipts of the Fenian Treasurv since the last Canadian raid at \$49,000 one of which is to be drawn without the President's signature. But as appropriations are to be made for the wives and families Fenians captured or killed in Canada, out of this money the balance applicable to the Military chest does not seem to be large.
