NOTICE .- Taxpayers who have not yet paid their City Taxes are reminded to do at once and save costs.

COURT OF QUEEN'S BENCH

The Fall Assizes and Court of Oyer and Terminer and General Gaol Delivery for the County of Frontenac opened at noc yesterday, his Lordship Chief Justice Draper presiding.

The Grand Jury was composed of :-Thomas Briggs, Esq., Foreman ; Mesers. James Byrne, James Fisher, Joseph Dix, Walter Guthrie, Lawrence Herchmer, John Horn, John Hardy, Thomas Keys, Samuel timately supercede "hot and rebellious Kane, William Irving, William Walsh, Dennis Kane, James Laidlaw, George Marriett, John Nichot and Henry Rees.

His Lordship made a lengthy and elaborate address to the Jury, explaining the law in each case as it appeared on the calendar, and laying down specific rules for their guidance. He simply referred to matters of law, and did not advert in the least to matters of general interest to the country, as have recently engaged the attention of many other Judges in their ad,

The Court then proceeded to the ordinary business of the first day's session, and adjourned at an early hour until this morning when some of the heavier cases will be taken up.

The cases contained on the Civil Calendar are about twenty-five in number, but not one of extraordinary interest, so that the session of the Court will be short indeed. On the Calendar are eight criminal cases : Doyle and George Cochran with assault; Coadjutor Bishop: William Slater with highway robbery; and as well as Slater and Dunley, are under bonds to appear for trial.

gainst William Grawford and F. N. Danley. The former pleaded guilty.

Crown Prosecutor, Mr. James O'Reilly, Q.C., left for Belleville yesterday, on a special engagement, and will be absent ! one day of the Court. To-morrow he will be punctually at his post.
