### JOHN C. FOX'S Iron-Clad Piano Fortes.

FITHESE Instruments have acquired a A Povincial reputation for qualities which render them superior to any imported or home manufactured Pianeforte. They are made under the personal supervision and direction of Ma. JOHN C. FOX, who has a thorough practical knowledge of the manufacture, as conducted by the best makers on the Continent of Europe and in the United States; and from his extensive knowledge of the details of Piano Manufacture, as well as from his attainments as a Musician, he has been enabled to introduce into his own l'ianes improvements which make them unsurpassed for brilhancy of tone, such render them superior to any other in withstanding the vicisaitudes

These Pianos can be obtained from --The Manufacturer at ... John H. Stevenson, jr , Rossin House To- | grateful
