MEDICAL COUNCIL .- Dr. Lavell has been appointed as a representative of the Royal College of Physicians and Surgeons in the Council of Medical Education and Registration of Upper Canada.

A NEW BREECH LOADER. - A new altere, Enfield, called the Sampson patent, is to be tried by the military authorities in Montreal this week. It is said to be the best breech loader yet made. If it proves satisfactory the Government will order several thousan The Government is now negotialing with the Home authorities for the establishment an armory in this country. It is thought they will succeed

GROUNDLESS PANIC: - A slight run was made on the branch of the Ontario Bank at false statement, that the bills of that institution had been refused at the Custom House. No Assival or the Heson. - The Gunboat argument would satisfy the incredulous billholders, and the Bank having a great store of gold on hand to meet any emergency, satisfied. the demands of all who presented their
