FORRESTER'S CONSTELLATION. -- 'DON Cæsar de Bazan' and 'Our Gal' in the City Hall at S. p.m.

REGULAR MEETING OF THE CIT COUNCIL.

The City Council met on Monday evenston, McCammon, McKelvey, Tomkins and White. In the absence of the Mayor, Mr Kingkorn was called to the chair. COMMUNICATION.

From Mr. Jrs. Wilson, Manager Kingston Water Works, in reply to the Chairman of the Committee on Fire, Water and Gas, stating that the water supply is shut off on Sundays at the instigation of the Sabbatl Reformation Society, who desire that the workmen, should attend Divine Service. Arrangements have been made to turn on

Fire, Water and Gas to report, the Company of this act of the Council in granting being required to keep on a supply of water sum demanded by his Reverence, that in the interim.

PHTITIONS.

Of James Gough, in destitute circumstances | the parson that he was mistaken, that h owing to a lingering disease, praying to be | had not given publicity to the conduct of h relieved of paying the city staxes for the cur- Reverence, nor animadverted upon it. rent year .- Referred to the Court of Revi- that a neighbor of his Reverence's told him sion. A similar petition of Elizabeth Burus, (Mr. Wood) that the conduct of his Reverwas also referred.

Of Benj. Quinton, tendering to lease the The Parson hereupon became furious, ar British Empire Hotel, Market Square, for one | conqueted himself in an outragious manner, or three years, at his own option, petitioner | assaulting Mr. Wood in the most determine to pay \$200 a year rent, and put the premi- and violent style; and when fustrated in as in repair .- Referred to the Committee on City Property to report.

Of James F. Casey, requesting permission to open a drain on the Montreal Road, -No action taken.

Of Mr. Wm. B. Anglin, complaining of ing his intention of preaching the Gospel over-assessment of property in Cataraqui a particular school house on the following valuation of last year. A motion to refer the taken from St. Luke, Chap. vi. the 27th and matter to the Court of Revision was lost.

Or Richard Watt, praying the Corporation of the text will condemn bis unchristian c to straighten Monireal Street, as the peti- | duot in the tavern, and make him shrir tioner finds great inconvenience on account | within himself with the consciousness of hi of James Casey having erected a house front of his own, and directly on the line of the surveyed atreet -- Referred to the Committee on Streets and Improvements.

Of J. & D. Cunningham, for permission to lay down building materials on Earl Street. -Granted on the usual conditions.

Of the Committee on Tavera Licenses, submitting the report of License Inspectors, from | for the Fenians, has issued a circular of which it appears that only 44 persons have | ing the necessity of having a thorough paid their licenses in full ; that ten persons have not paid their licenses in full ; that five atructions for the formation of infante persons who were granted licenses have not | cavalry and artillery corps. Stephens made a payment at all for the same ; and that still in the city. some other persons who were granted licenses have either left the city or refused to take them out. The Committee requested the rapidly being reduced. The October State-License Inspectors to endeavor and collect | ment which has just appeared shows a the monies before the next meeting of the | year age the total debt, less cash in the Trea-Council. The Report was finally adopted, sury, was \$2,773,336,941 and it is now \$3, the Council agreeing with the course Committee had adopted.

The Council then adjourned.

FORRESTER'S CONSTELLATION

This Troupe of Comedians have made mite a hit. It is seldom that promise -Among the records of the city relative the assize of bread, published at that til more than realized, but in this instance, good repute of this Troupe has been exollowing entry appears :- 'October ceeded by actual performance. The Troupe By the assize of bread this day, loaf to weigh 17 lb. 6 oz.; wheaten, 2s. 8d have now appeared two nights to crowded and delighted audiences, and their reputaloaf, 8d. The above year was one of alm ion as good and careful dramatists is firm! the 2nd of June the havmakers assembled established. the Royal Exchange to the number of 440

On Monday night 'East Lynne,' a sense count of the heavy rains, which prevent them from working. In this year, mor l over, on the 20th of September, an embar novel, 'The Eari's Daughter,' was played: It is a drama of the tragic sensation king? abounding in incident, situation and point, has joined the defenders of ex-Governor Even and detailing briefly the leading incidents and bas sent a subscription to the fund of the novel, and very well done it was. | his defence, which has now reached the ag · Lady leabel' was personated by Mrs. For. gregate of £4,000. sert of long association and service, a tribute the Chief Organizer of the Fenian Brotherhood, is about to leave and attempt to effect a landing on some part of the coast of Ireland. It is threatened, too, that the Atlantic able at this end will be cut. But that would not prevent the news crossing the ocean before Mr. Stephens could effect his landing. Wood was held responsible by him. All this sort of thing wears very much the air Wood very calmly and respectfully assured humbug, and gives rise to the suspicion signing vagabonds in every disgraceful ence in the matter was mean and despicable.

Collectors of Custom are instructed, by after the 1st of January next. On recommendation of the Minister of Finance, ship' blocks, sail-cloth, and a numper of articles connected with ship-building. are authorized to be taken out of bond dutyree by shipbuilders. reason of the latter's physical superiority, he

mounted the balcony of the hotel, and A NEW BELT FOR THE SOLDIERS .- M. Heere man's, a Beigian, has invented a belt cendiary language, and concluded by declarsoldiers, which deserves the attention of interested in military affairs. After an engagement or battle, an idea may be formed of the miserable position of the wounded Ward, the same rating twice as high as the Suaday. Let us hope that his text will be who, without timely carefand dressing for their wounds, often perish without succour, from the heats or colds that bring on gangrene. The belt is buckled on as an ordinary belt; it is 1 30m in length by 8 centimteres width. It is lined outside so as to receive band of dressing of the same length which is readily drawn out. Close to the buckle, are two india-rubber pockets, containing fi sily, a bandage for a second wound ; secandly, lint, plaster, pins, &c., The soldier wears it on his trousers, and the total weight does not exceed 150 grammes, or about five In many cases the soldier would be enabled to dress his own wounds or those of his wounded comrades. Once the wound is dressed, which might occupy ten minutes he beit may be used as a bandage, whether he wound be in the body or leg; if in the S. P. Spear, acting Secretary of War arm, it will serve as a sling. This belt, of so slight a weight, and at a price not exceeding

> THE ENGLISH REFORM BILL .- It is stated in recent English papers that Mr. Distaell has C I T V rawn up and submitted to his colleagues a cetorm bill far more liberal in its provisions han that which was rejected at the last sesion of Parliament. The report is vales our rent that the Imperial government view with now being made by the working classes in singland, and that representations have been made to them by official reporters who attenproposed next year great dangers and disturpances of public order are not unlikely to
