NEWS OF THE DAY.

WESLEYAN CHURCH ANNIVERSARY.—On Monday evening the Annual Anniversary Festival of the Sydenham Street Wesleyan Methodist Church was held in the City Hall. The attendance was very large, and quite in keeping with the previous success of the former anniversaries. After refreshments had been served, and the Rev. Mr. Clarkson, formerly of Queen Street Church, but now of Brantford, had offered up prayers, the Mayor, John Breden, Esq., was called to the chair, and presided throughout the evening, a position which he has filled with honor at similar meetings for a number of years. Around him on the platform were the principal speakers, and other prominent clergymen and laymen. The first address was delivered by the Rev. Mr. Casson, of Odessa circuit, who spoke eloquently and at length on 'Man, the noblest work of God; his connection with the Church,' in which he was frequently applauded. The Rev. Mr. Cochran followed, speaking not less eloquently, and with much fervor and zeal, on 'The Church, its influences, and the benefits it confers on society.' Both addresses were listened to with marked attention, the speakers having handled the subjects in a truly masterly manner. The Rev. Mr. Clarkson was also requested to address his former congregation, but, owing to the late hour, he declined to make a lengthy speech, when the meeting closed with the benediction. The choir of the church, who were present, sang delightfully during the evening several selected anthems and glees, including, 'Comfort ye my people,' 'Hearken unto me,' 'Star of the Temperance morning,' 'Give ear to my words,' &c. They were also at times heartily applauded.

DISMEMBERMENT OF MONTREAL PARISH.—Another meeting of the St. Patrick's congregation, Montreal, to protest against the division of the R.C. parish, has been held. The meeting was an important one; and while in tone it was very respectful to the Bishop, it was very firm and unanimous in its protest. It passed an address in appeal to the Archbishop of Quebec.

SMUGGLING REVIVED.—Smuggling is reported to be on the increase on the Northern frontier of the United States in consequence of the recent removals, for political causes, of some of the revenue officers who were au fait with the haunts and routes of the smugglers.

THE FUNERAL OF LT.-COL. HEWARD.—The funeral of Lt.-Col. Heward, who died suddenly while on a business tour, at St. John, N. B., at Montreal on Sunday last was one of the most imposing demonstrations ever seen in Montreal. Together with the volunteers and citizens in the funeral cortege, those who came out as friends and sympathisers made up not less than 20,000 to 25,000 people who were participants in this manifestation of popular interest and regret. The firing party consisted of the Battalion of Victoria Rifles, which deceased lately commanded, and was followed by the bands of the Prince of Wale, and 23rd Royal Welch Fusileer Regiments. The pall-bearers were the Mayor, the Hon. T. D. McGee, and the Colonels of the several Volunteer corps of that city. Then following the mourners, was the Battalion of Hochelaga Light Infantry, succeeded by the Battalion of Royal Light Infantry; Grand Trunk Rifle Battalion; the Battalion of Chasseurs Canadiens; 1st Prince of Wales Rifle Regiment; Montreal Light Infantry: Volunteer Engineers; Grand Trunk Garrison Artillery; Brigade of Garrison Artillery; Field Battery of Artillery; Squadron Cavalry; Royal Guides; Officers of the Volunteer Militia and Regulars; Militia Staff; Commandant and Staff; Adjutant-General of Militia and Staff; Major-General Lindsay and Staff, followed by a long concourse of citizens, forming one of the lengthiest corteges ever witnessed in the province. The services at the grave were performed by the Rev. Canon White (this was his last official act in the diocese) were solemn and impressive.

JOHN BROWN.—Yesterday was observed as a holiday by the colored citizens throughout the Province, and in the United States, it being the anniversary of the execution of 'John Brown,' the visionary but heroic old man who instituted the irrepressible conflict which led to the extinction of American slavery.

THE FENIAN TRIALS.—The Court of Queen's Bench, at which the Fenian prisoners captured in Lower Canada are to be tried, opened at Sweetsburg, District of Bedford, on Monday. Judge Johnston, who presides, gave a very lucid and elaborate charge to the Grand Jury. The special correspondents report that the first of the Fenian trials comes off in a few days. Sixty-three witnesses are in attendance to give evidence. Eight of the prisoners will be tried as British subjects, and eight as American citizens. Matters in the village are perfectly quiet. There are some rumors of contemplated raids from St. Albans and elsewhere, but no one credits them.

WONDERFUL SAGACITY OF A DOG.—The Montreal Gazette reports that on the 26th inst, while Dr. Hamilton, of Sutton C. E., was driving his rounds with a pair of spirited horses, one young and only partially broken, the reins became deranged, removing his power over them, and he was thrown from the carriage and considerably, though not seriously injured. But strange to relate his dog 'Jake,' who accompanied him, followed the horses, and after they had run a quarter of a mile stopped them by jumping and seizing the young horse's rein near the mouth, and held them until some neighbours who saw the occurrence came to relieve him.

GREAT REFORM DEMONSTRATION IN LONDON.

ROME EVACUATED BY THE FRENCH.

London, Dec. 4.

The police justices of Cork have sent telegraphic despatches to the authorities there asking for more troops to preserve the peace of that city. The enrolment of loyal Irish in Ireland has been ordered by the Government. The Government is determined to crush out the rebellion the moment it breaks out.

London, Dec. 3.

John Bright was present at the great reform demonstration which took place in London. There were 25,000 people in the procession in spite of a heavy rain, only a portion of whom could enter the grounds where the meeting was held. Resolutions were passed amid great enthusiasm. At the conclusion the people dispersed peaceably. Mr. Bright will address an immense audience to-night.

The Fenian Senator Meany, who was arrested this morning, was taken to Dublin. No evidences of treason was found upon him.

It is said that the United States authorities in Italy had telegraphed to Malta to arrest John H. Surratt, one of Lincoln's assassins, on the steamer touching there, but the attempt had failed.

New York, Dec. 4.

A special despatch to the World, dated London, 3rd, says: It is estimated that at least 500,000 persons were in the procession which formed so imposing a feature of the Reform demonstration which took place today. Nearly all the trade societies were out in full force, and marched to the place of meeting. Forty seven of these organized bodies, together with various members of the Reform league, were in the line, which was composed of four grand divisions, under the guidance of marshals and led by bands of music, banners, society insignia, &c. It was by far the largest and most important affair of the kind which has ever taken place in this country, notwithstanding the very unpleasant weather. It is a fact worthy of notice that the stars and stripes waved above the procession in many places, and was frequently and loudly cheered. Seven stands were erected for the speakers. The stores in Pall Mall, Piccadilly and other thoroughfares through which the procession passed were closed, and the trades people thronged the streets. The greatest order was maintained, and the most lively enthusiasm prevailed. The moral effect of the whole affair cannot be overestimated.

QUEBEC ELECTIONS.—The municipal elections were held in Quebec on Monday. The Hon. J. Cauchon was re-elected Mayor without opposition, and several of the old Councilmen were returned, but one or two of the wards are being contested.

AN ANTIDOTE FOR POISON.

THE PAIN KILLER.—Rev. T. Allen, writing from Tavoy, Burmah, says:—'With the past four years I have used and disposed of about five hundred bottles, but am now out. Please send me a fresh supply as soon as you can—say two hundred bottles. I dare not be without it myself and there are endless calls for it both by Burmans and Karens. I always take it with me into the jungles, and have frequent occasion to use it both on myself and others. One night while sleeping in an open Zayate, I was awoke by a most excruciating pain in my foot. On examination, I found I had been bitten by a centipede. I immediately applied the Pain Killer, and found instant relief.'

Rev. Mr. Hibbard, writing from Burmah to his father, says:—'I have used Davis' Pain Killer for coughs, colds, summer complaints, burns, and for the sting of scorpions, with uniform success. We always keep it where we can lay our hands on it in the dark, if need be.'

DO YOU SKATE?—It is a pleasant delightful and exhilarating exercise. Skate by all means; but if you should take cold, Downs' Vegetable Balsamic Elixer will restore you to health. Henry's Vermont Liniment, taken internally imparts a pleasant and agreeable warmth to the system and wards off the attack of cold. Be prepared with these remedies, and always keep them in your house.—A bottle of each costs only 25 cents. Sold by druggists and dealers everywhere. 233

REV. H. J. CAMPBELL, Pastor of 1st Baptist Church, Lancaster, N. H., writes—'I have used Mrs S. A. Allen's World's Hair Restorer and Zylobalsamum, and can cordially recommend them to those who wish to have their grey hair restored to its original color. I am satisfied the Restorer is not a dye, as I have thoroughly tested it.' Sold by all Druggists. Depot, 194 Greenwich st., New York. 285

"Jee' se!"—"Exactly!"—Solon Shingle said; they were there 'every time.' If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, just read the following:

"I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGONER, Med'a, N.Y."

"I have been a great sufferer from Dyspepsia, and had to abandon preaching. The Plantation Bitters have cured me.
REV. C. A. MILLWOOD, New York City.

"I had lost all appetite—was so weak and enervated I could hardly walk. Had lost a perfect dread of society. The Plantation Bitters have set me all right.
JAMES BRAMINWAY, St. Louis, Mo

"The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They set like a charm.
C. C. MOORE, 254 Broadway, N.Y."

Mrs. O. M. DEVOE, manager of the Union House School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received overa hundred reams of such certificates, but no advertisements so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure.

Montgomery, Ala., June 17, 1859. J. L. DOWNING

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all tell it soon like magic."

J. W. HEWITT,
Foreman for Americans, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.

Gloucester, Mass., Aug. 1, 1865. ED. SEELEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and steamers should always have it on hand. Quick and sure it certainly is. All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chem'st, and the private U.S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair curl, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—it is fine. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

FRIENDLY COUNSEL TO DYSPEPTICS

Your digestive organs require rousing and regulating. Severe purgatives will deprive them of the little vigor that disease has left them, and leave them in a state of hopeless irregularity. What you require, is a medicine that includes the properties of a gentle laxative, a counter irritant, a stomachic and an alterative. This desideratum you have in Radway's Regulating Pills. They not only carry off the acrid and corrupt humors generated by imperfect digestion, and heal and soothe the irritation created in the intestines by the presence of those humors, but they also restore the secretive organs to a healthy condition, and thus preclude the further development of virulent fluids. They not only subdue the symptoms, but extinguish the causes of indigestion. These are simple facts verified by years of uniform experience. 285

Sickness is an affliction that waits on us all. None are exempt and there are none but need relief from attacks. Whoever can furnish this becomes our benefactor. A conviction prevails that Dr. Ayer does it. Disorders of the blood have been healed by his Sarsaparilla, and affections of the lungs by his Cherry Pectoral, too frequently and too distinctly to be disputed. His Ague Cure is said, by those who use it, to never fail. Reader, if you must have medical aid, take the best of medicine.
