SCIENCE AND PROGRESS.

A NEW SCIENTIFIC METHOD OF SINKING WELLS.

A Description of the Peculiarly Interesting, Though Usually Quite Harmless, Effects Produced by Lightning Striking in the Loose Sand on a Hill Top.

A new scientific method of sinking wells, as operated by the American Well works, Aurora, Ill., is illustrated in the picture here given.

It consists simply of putting a saw on to a large gas pipe and connecting to the upper end a water swivel that forces water into the pipe.

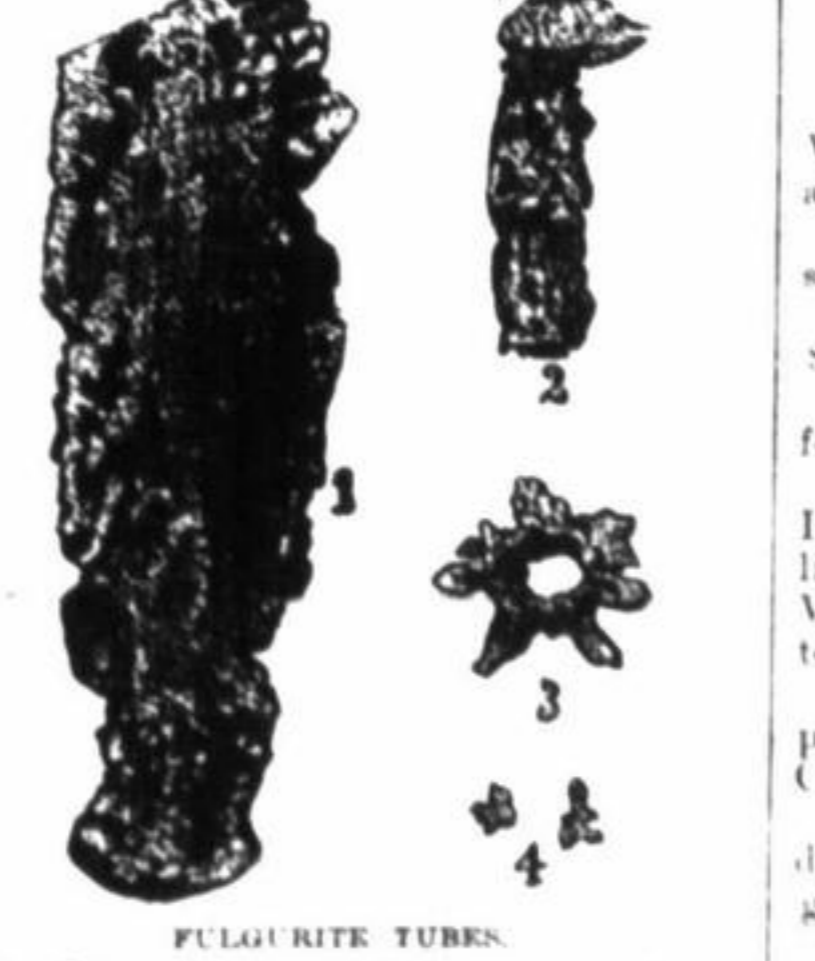

WELL SINKING APPARATUS. casing and coming up on the outside.

In this way 500 feet of seven inch pipe, it is claimed, has been sunk in the city of New Orleans in forty-eight hours.

Fulgurites, or Lightning Holes.

The disastrous results so often attendant upon an electric discharge have been dwelt upon since time immemorial...

FULGURITE TUBES.

The fulgurites shown in the cut are from material received from Union Grove, Ill., and now in the collections of the national museum.

The plate shows the characteristic forms. Fig. 1 represents a portion of tube of common form.

The results of a comparatively recent analysis of both the fulgurite glass and the sand in which it was formed makes it appear that the glass was not pure quartz glass...

Influence of Electricity on Roots.

Numbered with other interesting experiments conducted by Professor Hottelien, of Germany, are those showing the influence of electricity on the growth of roots.

Why will you cough when Shiloh's cure will give immediate relief? Price, 10c., 50c. and \$1. W. J. Wilson, wholesale and retail agent Kingston.

SOCIAL ETIQUETTE.

Manners and Customs Practiced in Polite Society.

Gentlemen in society, whether single or married, have "Mr." engraved on their cards. A small oblong card is proper for gentlemen.

A Word About Menus.

If one is about to entertain a ceremonious company use unhesitatingly the French bill of fare. If, on the other hand, the guests are plain, practical people...

Wooden Weddings.

Wooden weddings occur after five years of married life, and afford the bride much refurbishing of the kitchen, and nowadays some beautiful presents of wood carving.

Style of Dress for Nurses.

City ladies have adopted for the nurses of their children the French style of dress—dark stuff gowns, white aprons and caps.

Invitations to Parties.

The young lady's mother or chaperon is the proper person to invite young men to a party if the daughter has met them, but it is not considered correct for the young lady to do it herself.

Chairs for the Dining Room.

As a rule, the chairs in the modern dining room are uncomfortable and inappropriate.
