COMMERCIAL MATTERS.

CHEESE MARKET. BROCKVILLE, May 16.—At the cheese board held last week, the following resolution was passed: "That this cheese board has heard that the railways have advanced rates on cheese to Montreal, which is much to be regretted on account of the liberal rates always received in the past from this point; but they were not more liberal than the patronage that has always been bestowed, we having always given the railways the preference over water-carriage. It is resolved that unless last year's rates are granted we will use every legitimate means in our power, and haul our cheese to points where they can be forwarded by other routes."
