LOCAL BREVITIES.

Here's a Chance. Coal for sale cheap at Richardson & Son ; dock. A bargain for everybody.

Freckle Lotion.

Bell's lotion will remove tan, freckles, sunburn, pimples, blotches, etc. Twenty-five cents at Wade's drug store.

Figures Clinch the Argument. That oranges and lemons .at 25c doz. are very cheap; box of table figs at 10c. proves our heading. Jas. Crawford.

They Come And Buy.

Large lemons, 25c. doz.; oranges, 30c doz.; fresh cocoanuts, 8c. to 10c.; new figs, 10c.; box fresh eggs, 12jc. doz. Jas. Craw-

Tamarac Elixir Is not advertised to cure consumption,

but it has made some remarkable cures of persons supposed to be in the first stages of that disease. Making a Pertinent Enquiry. The knights of labor will send a letter to

the council asking what guarantee there is that after the dry dock is built by convict labor other than free labor will not be em-

ployed about it. Don't Miss It. Everybody may expect great bargains tonight and to-morrow night in underwear, undress shirts, silk handkerchiefs, ties, rub-

ber coats, etc. All goods must go below

cost at Byrne's old stand. A Prolific Sheep.

Ira Smith, living near Odessa, has a profitable lamb. In February of this year she gave birth to two lambs, and on May 31st presented two more. The veterinaries are at liberity to explain this liberty on the part of sheep nature.

Plenty of Room.

Speaking of Wolfe Island and its wonderful spring of sulphur water, recently discovered on it, the Utica Observer remarks that as the island is twenty miles long there will be room enough for all the rheumatic maidens of Canada and the United States.

Don't Miss It.

Z. Prevost has received this day a direct importation of one case of navy blue English serge, all wool, guaranteed fast colours. He will make a suit to order for \$10.50, and a first-class fit guaranteed. The above goods are such as he has sold in previous years, and they have given general satisfaction.

Among the Islands.

Nearly all the summer residences at the islands are being put in shape, and many new cottages are being built. Two fine cottages will be built on Edgewood park. S. G. Pope, Ogdensburg, is completing a residence on Friendly island, oppposite Alexandria Bay. It is being built for E. W. Dewey, New York.

Denies the Impeachment.

Chisholm, the convicted assailant of a young lady at Cataraqui bridge, declared in his public statement that he came to Kingston on Saturday last with M. White. of Wolfe Island. This Mr. White utterly denies. He neither accompanied Chishelm to town nor drank with him on that day as alleged.

Success of the Macketts.

The Courier-Journal, in noting the performance of a popular play in Harris' mu-seum, St. Louis, says: "A fine feature is the Rackett family orchestra. They created a perfect furore last night, and it is a most welcome change from the trio of instruments with which this house has been tormented for several years past."

Returning Missionaries.

Miss Flora Squiers, of Trenton, sent with three or four other young women by the Salvation army as missionaries to India, is expected home in a few days. She is in the company and care of a missionary and his wife, who are returning to their native land. The famed island of Ceylon was the special field of her missionary labours, had her health and strength been equal to such a heroic course in such a burning and exhaust ing clime. The salvationists wasted much money on the calamitious undertaking.

Police Court-Friday.

The charge of drunkenness against Charles Bernhardt, Edward Murphy (alsocharged with fighting), John McRay and John Kelly, were reserved. Thomas Kehoe was remanded until Monday. He has been drinking lately and making things about home uncomfortable.

W. Meagher, for refusing to pay toll on Cataraqui bridge, was fined \$1 and costs. A number of lads, charged with playing ball on Sunday, were dismissed. They were warned, however, that such ungodly practices must not be indulged in in future.

Astonishing Success.

It is the duty, of every person who has ned Boschee's German Syrup to let its wonterful qualities be known to their friends in curing consumption, severe coughs, croup, asthma, pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the dupoor, dying consumptive, at least to try one sottle, as 80,000 dozen bottles were sold last ear, and no one where it failed was re orted. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at 10 cents. Regular size 75 cts. Sold by all druggists and dealers in the United States and Canada.
