THE OPENING OF THE CAMP.

On Tuesday, the 40th, 45th and 46th battalions, and Durham field battery, will go into camp here at 2:55 p.m. The third cavalry regiment will arrive at 4:30 p.m.

A Stitch In Time.

When first attacked with a cold in the head, droppings from the nasal passages into the throat, pain in the head, or any of the symptoms of forerunners of catarrh, a 50c package of Nasal Balm will cure you.

Don't Miss It.

Z. Prevost has received this day a direct importation of one case of navy blue English serge, all wool, guaranteed fast colours. He will make a suit to order for \$10.50, and a first-class fit guaranteed. The above goods are such as he has sold in previous years, and they have given general satisfaction.

A Literary Curiosity.

This is probably the longest sentence in the English language which reads the same backwards as it does forward: "Raw and snug was I ere I saw guns and war." Napoleon wrote this, but of course it has nothing to do with selling fresh butter at 18c.; fresh eggs 12 1/2c.; roll bacon 10c. Jas. Crawford.

Wasting Disorders of Children.

Scott's Emulsion of pure Cod Liver Oil, with Hypophosphites, is unequalled. The rapidity with which children gain flesh and strength upon it is very wonderful. "I have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked."—J. M. MAIN M. D., New York. Put up in 50c and \$1 size.

Look Out For the Balloon.

Yesterday a balloon was sent up from St. Louis, bound for the coast. The New York World is paying the expense, and asks the public to look out for it and report if they see it. It requested that despatches, dropped from the balloon, be forwarded rapidly. And by the same token if the balloon comes in these parts let the WHIG know all about it.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent of such maladies as biliousness, indigestion, sick headache, costiveness, nervous prostration, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

AFFAIRS OF THE BATTALION.

The Church Parade To-morrow—Arrangements for the Trip to Montreal.

On Monday, at eight o'clock, the members of the 14th battalion will assemble for parade previous to leaving for Montreal. The start will occur about ten o'clock. Montreal will be reached between five and six o'clock in the morning.

The following will compose the staff of the battalion: Lieut.-Col. Smith, (meeting the battalion at Montreal); Major Power; Acting Major, Adjutant Galloway; Acting Adjutant, Capt. Hinds; Quartermaster, Major Spriggs; Paymaster, Major King; Surgeon, Dr. Henderson; Assistant Surgeon, Dr. Betts. The companies will be commanded thus: "A," Capt. Skinner, Lieut. Armstrong; "B," Capt. Farrell; "C," Lieut. Strange, Lieut. McKelvey; "D," Lieut. Hors, Lieut. I. Newlands; "E," Capt. Shannon, Lieut. Gilderleeve; "F," Capt. Murray, Lieut. W. Nicol. The corps will be 300 strong, including officers and non-commissioned officers.

To-morrow morning the battalion will assemble at the drill shed and march to service in St. Paul's church. The sermon will be preached by the chaplain.

Battalion drill was conducted last evening. "B" company, Capt. Murray, the strongest on parade, was put at the head of the battalion.

The battalion has been supplied with chevrons, to be issued to the men for long service and good conduct. They will receive one chevron for each three years of service, provided their conduct has been exemplary. The stripes, made of worsted braid, will be worn on the left arm below the elbow, point upwards, and will be thus unlike the stripes worn by the non-commissioned officers, which point downwards.

A Great Date—18th June.

To-day—Waterloo—Wellington—Heights of St. Just—La Haye Saints—Planchenoit—Napoleon—Night, or Buchoer—Blucher—Ney—Up Guards—Prooshians—Old Guard No Surrender.—CARLYLE.

Police Court—Saturday. John Langridge and John Martin, drunk, were dismissed. It was the jubilee season and the magistrate didn't want to put them under surveillance. Elizabeth Mullen, vagrant, was given another chance. She had previously appeared under the name of Brown, as she did not want her family to know of her misfortune.
