They will satisfy you. Our sugar-cured shoulder is at 10c per lb., and our fine fresh butter at 18c per lb. James Crawford.

LOCAL BREVITIES.

The Pullman Palace Car. At the request of the board of trade the Pullman palace car company has decided to make the berth rate between Montreal and Kingston, and Kingston and Toronto, \$1.50, being a reduction of 50c. on the usual rate, the change to take effect on the 13th.

Don't Miss It. Z. Prevost has received this day a direct importation of one case of navy blue English serge, all wool, guaranteed fast colours. He will make a suit to order for \$10.50, and a first-class fit guaranteed.

A Literary Curiosity. This is probably the longest sentence in the English language which reads the same backwards as it does forward: "Raw and snug was I ere I saw guns and war." Napoleon wrote this, but of course it has nothing to do with selling fresh butter at 18c.; fresh eggs 12c.; roll bacon 10c. Jas. Crawford.

Pay of Staff Officers. The following is the daily pay of the staff officers of the camp: Deputy adjutant-general, \$7.30; brigade major, \$5.16; staff captain, \$3.77; staff lieutenant, \$3.05; staff paymaster, \$5.47; camp quartermaster, \$3.77; supply officer, \$5; surgeon major, \$4.87.

He Had no Jurisdiction. This morning Judge Price read the appeal of the executors of the Henry Skinner estate from the assessment of property made by the court of revision. The judge said that he had no jurisdiction. It is probable that the city will not press for the collection of taxes.

Cotton Mill Employees' Pic-nic. On Saturday afternoon the employees of the cotton mill held their annual picnic on Simcoe Island. An interesting programme of sports was carried out. One of the most popular features of the proceedings was the dancing. Considerable interest centred in the baseball match between the cotton mill and hosiery mill nines. The former won easily.

Wasting Disorders of Children. Scott's Emulsion of pure Cod Liver Oil, with Hypophosphites, is unequalled. The rapidity with which children gain flesh and strength upon it is very wonderful. "I have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked."—J. M. MAIN, M. D., New York. Put up in 50c and \$1 size.

"Zozo" The Magic Queen. Dallas News. With its wealth of scenic effects and gorgeous pageantry, as an extravaganza, "Zozo" can have but few equals in point of attraction. There is in it every essential of spectacular success, a profusion of beautiful scenery, heightened by ingenious stage mechanism, glittering and costly costumes, brilliant acting and sparkling music. The transformation scenes were beautiful indeed. Opera House, Tuesday and Wednesday evenings.

And Still They Come. Deseronto Tribune. (Independent.) The WHIG is one of the best newspapers in Canada, its columns being always fresh and racy. The managers are to be congratulated on this new evidence of spirit and enterprise.

Port Hope Times. (Conservative.) The KINGSTON DAILY WHIG takes the prize for neatness of get up of all the daily papers in the province. It is in every way a credit to Kingston, except in politics. We congratulate our esteemed friend, E. J. R. Pense, on his success in being favored with so large an advertising patronage as to justify the expense of so large a sheet.

Equalizing the Value. At the recent meeting of the council of Lennox and Addington the following was the equalized value of the various municipalities adopted:

Table with columns for Location, Acres, and Value. Locations include Adolphustown, Amherst Island, Bath, Camden, Deming, Abinger and Ashby, Ernestown, North Fredericksburg, South Fredericksburg, Kalendar and Anglosau, Napanee, Newburgh, Richmond, and Sheffield.

She Had Weighed All Things. "Where are you going to spend the warm weather?" said one Kingstonian to another. "Well," she replied, "I guess in Kingston. I find it as cool and comfortable as I want, and as free from disadvantages as any place I know of. I can drive about the lake shore, can boat in calm waters, can picnic in cool places, and, for a quarter, can enjoy lovely scenery from the deck of a \$50.00 steamer, (she meant the St. Lawrence) and can watch perspiring humanity in fashionable attire hunt for pleasure and get nearly frantic because of dead flies and mosquitoes at so-called watering places. For solid comfort I think home is the best place after all. I am sorry that Kingstonians do not shout aloud the praises of their city as a summer resort more than they do."

Enjoyful Life. Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower, or will make them as free from disease as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies as biliousness, indigestion, sick headache, costiveness, nervous prostration, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

A DARING TRAIN ROBBERY.

Going Through the Passengers and Relieving them of all Their Money. HOUSTON, Texas, June 18.—A daring train robbery was performed a short distance this side of Schulenburg on the Southern Pacific railway. As the train drew up at the station two men, with drawn revolvers, mounted the engine, covered the engineer and forced him to pull the train to the open prairie, a few hundred yards to the east, where a fire was burning, around which stood eight or ten men armed with Winchester rifles. The two robbers on the engine stood guard over the man at the throttle while the others went through the mail express and passenger cars. Nearly all the passengers were asleep and unaware of what was going on until they were aroused by the robbers. The first man tackled by them was W. Newburger, of New York, whom they struck on the head with a revolver, securing from him \$75 in cash, several diamonds, and a gold watch valued at \$100. Lou Mayer, of Cincinnati was relieved of \$35. R. L. Armsted, of New York, gave up \$20. He had a larger amount with him, which was hid in the sleeping car. A gentleman from Mexico lost \$400. All the passengers were relieved of what valuables they possessed, and it is difficult to form an estimate of the amount of money and jewellery secured. The amount, however, is reckoned at \$5,000. Wells, Fargo & Co.'s express car was also gone through, but the amount of money taken cannot be ascertained. No mail route agent was on the train, but the through mail pouches on the express car were all cut open and their contents appropriated. The total amount secured by the robbers is put down at \$8,000 or \$10,000, but when a careful report is made the figures may be changed. There is no doubt that considerable booty was secured and the gang made off with it successfully. The whole country is aroused and in arms. Several persons have gone in search.
