LOCAL BREVITIES.

Arrived To-day.

A small consignment of pic-nic hams at 10c. per lb., the last of the season. James C rawford.

A Criminal Offence.

Last evening two girls gave whisky to a boy five years of age. He drank some of it, became intoxicated, and staggered into a cut two feet deep near the oil cloth factory. When found he was unconscious and wounded in the head. He was very low to-day and not expected to live.

Defeated by Trinity School.

On Wednesday the Royal military college cricket club played at Port Hope against the Trinity college school team. The cadets were defeated by one run and six wickets. The score was 173 to 172. The military college team was composed of: Messrs. Morris, Cayley, Williams, Emery, Straubenzie, Farwell, Smart, Barker, Fleming, Heneker and Strickland.

A Cure for Drunkenness.

Opium, morphine, chloral, tobacco, and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it if so desired. Send 6c m stamps, for book and testimonials from those who have been cured. Address M.V. Lubon, 46 Wellington St. East, Toronto, Ont. Cut this out for future peference. When writing mention this paper. "

Reception to a Clergymans

Last evening the congregation of the Fourth Methodist church tendered a reception to Rev. R. Wilson and his family. The evening was pleasantly spent. W. S. Gordon filled the chair and made the welcoming address. The new pastor replied in a happy way. Mrs. Coward and Miss McCartney sang delightfully. Ice cream and cake were enjoyed, and the pastor and his family were introduced to the people.

Not So Full of Tone.

The acting magistrate has not as much style about him as the permanent occupant of the bench. In speaking to an old man, whose failing is liquor, Ald. Thompson remarked: "By golly you'll have to straighten up and go to work. Even though you are an old friend you can't depend on me letting you off every time." The policemen blushed when the alderman used the by word. The offender was released.

Wasting Disorders of Children.

Scott's Emulsion of pure Cod Liver Oil, with Hypophosphites, is unequaled. The rapidity with which children gain flesh and strength upon it is very wonderful. "I have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked."-J. M. MAIN M. D., New York. Put up in 50c and \$1 size.

The Hotel Arrivals.

Howden, Millbrook.

Pic-nic at Wolfe Island.

The Bath lodge of the Ancient Order of United Workmen came to Kingston at noon and passed over to Marysville. There was a large party of them upon the steamer Hero. At the grove it was expected that short addresses would be made by Dr. Beeman and W.J. Porte, D. D. M. W's., of the Kingston and Prince Edward districts. Bath and Wolfe Island clubs were to play for a silver cup, and dancing was to be enjoyed to the music of Byrne's band.

The "Whig" Never Did It.

Many aldermen last night spoke of the remarks made in the papers as to shortages of coal, and said that without names being given an imputation was cust upon all dealers. The Whig has not in years published such paragraphs. When the reporters have been told of such things they have advised an interview with the magistrate. In court a dishonest dealer could be prosecuted, instead of an honest man being persecuted by unjust imputations.

Death of Mrs. Col. Villiers.

Mrs. Villiers, wife of Lieut. Col. Villiers, D. A.G., of the Third military district, died this morning. Her illness continued for over a month and originated with a cold contracted at the review on May 24th. The deceased lady was highly esteemed, not only for her sociability and amability but for her benevolence and kindness. Many schemes in aid of charitable objects were conceived and carried out by her. Mrs. Villiers was a former resident of Hamilton. Much sympathy will be extended to Lieut. Col. Villiers in his affliction.

Give Them a Chance !

That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter, which ought not to be there, your lungs cannot half dotheir work. And what they do they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption of any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

Roast Beef and Corned Beef. Armour roast beef at 15c. per lb.; cooked corn beef 15c, per lb.; boneless pig's feet in cans, chopped beef. James Crawtord.

Children's suits dirt cheap at the G. N. C. C. Rockwell's old stand. The queen banquetted the royal guests at Wi ndsor Castle last night.

Suggestion Worthy of Attention. KINGSTON, June 24.—(To the Editor): A very popular move by our city council would be the erection of a fence some fifty or seventy-five yards westward from the knitting factory along the lake shore, for the accommodation of the little lads who now monopolize the shore around Murney tower for their bathing. The delightful breeze and view from this spot, not often surpassed, cannot now be enjoyed by our citizens on account of the aforesaid lads. It would be rather hard to expect the enforcement of the law as it now stands. For while it is the duty of the council to provide for the comfort of the older citizens it is equally its duty to attend to the necessities of the younger ones. The cost of erecting the fence as above suggested would be trifling, and would be more than compensated by the opening up of the grounds around Murney tower and the increased pleasure of all classes of citizens. We hope this suggestion
