A Trip to Edinburg. The steamship Georgia, on which several Kingstonians sailed for Edinburg, passed two icebergs, and a shoal of dolphins. There were no fewer than five doctors on the ship, "and so," writes one of them, "she was perfectly safe."

Police Court—Wednesday. Maurice Ward stepped lightly into court carrying a new white tile and wearing a new suit of clothes. Scott's Emulsion of Cod Liver Oil. Is very palatable and much better than the plain oil. Dr. W. H. Cameron, of Halifax, N.S., says: "I have prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites for the past two years and found it more agreeable to the stomach, and have better results from its use than any other preparation of the kind I have ever tried." Put up in 50c. and \$1 size.

Dan Godfrey Promoted. The New York Times' London correspondent says: "Dan Godfrey's promotion to the rank of lieutenant gives the greatest satisfaction in military and musical circles. His labors have extended over a period of 32 years, and he well deserves the extraordinary honor of being the first bandmaster to receive a commission in the army. Several others should be similarly complimented, the foremost among them being Charles Godfrey."

Try and be Cured. Lame back and nervous debility, associated with rheumatism, is sometimes met with in every day life, but as a rule we find not more than two of these complaints in the same party. Be this as it may, the only sure and perfect cure is electricity and the best form of administering it is by Norman's electric belts and insoles. W. J. Wilson is agent, and from him you can procure testimonials and circulars relating to any of your complaints.

Band on the Wharf. By the kind permission of the commandant and officers the band of "A" battery will play on the Queen's wharf on Wednesday evening, the 29th inst., (weather permitting) the following programme: March—Vaillance. Steenebrugen Quadrille—Vrais Amis. Newton Selection—Lucretia Borgia. Donizetti Valse—Golden Myrthen. Fahrenbach Polka—Resi. Zwerthel Galop—United Empire. Alberti Regimental March. God Save the Queen. T. C. CAREY, Bandmaster.

Sends a Contribution. Rev. Dr. Bell has received a letter dated "Srinager, Kashmir, May 5th, 1887," from Miss Dr. Beatty in which she says: "I have been so glad to see that our old Missionary society in Queen's has decided to stretch out a hand to the far East. I want a share in holding up that hand; a ready means I have in this five-dollar bill, which reached me from home this week. I send it back to you. I am in Kashmir seeking health and finding it. The climate is almost Canadian, and the scenery is enchanting."

Strawberry Festival. A large crowd assembled in the basement of the Third Methodist church last evening to enjoy a social gathering and partake of the good things there in store for them, prepared by the ladies of the congregation. At about 8:30 the evening's proceedings began with the distribution of berries, cakes, &c., which lasted for about half an hour, after which an excellent programme was rendered. The following took part: Rev. Mr. Wilson, of the Fourth Methodist church; Misses M. Hewton, Allen, Spencer; Mr. Atkins and the choir. A short intermission was made lively by the sale of ice cream, candy, &c., by Misses Hewton and Wright and Mrs. Dennis.

The Jubilee at Cleveland. The Cleveland Plaindealer has an elaborate report of the doings of the English and Canadian people in the celebration of the queen's jubilee. The proceedings were of a varied and interesting character, and included the singing by Mr. Revchab Tandy, who was in particularly excellent voice, of an ode for the queen's jubilee entitled "Victoria." The Plaindealer says it is a beautiful composition, written especially for the occasion, sung for the first time in England by Mr. Sims Reeves and for the first time in America by Mr. Tandy. Mr. Tandy received several recalls, and was obliged to repeat the last verse.

The Hotel Arrivals. Arrivals at the British American Hotel—C. Tetu, N. P. Wheeler, H. Cleareuch, C. Withycombe, Ed. Younghart, Dr. Pugh and wife, S. P. Beckman, Montreal; C. S. Ellis, J. D. In Brief and to the Point. Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature. The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order. Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics. But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy. Remember: No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.
