THINGS WORTH KNOWING. THAT SIMSON'S LINIMENT

Is what may be called an EVERY DAY MEDICINE, and does not perform miracles, nor cure every disease, but as a remedy for the many complaints which are usually treated by Liniments it is unsurpassed by any other preparation and has well been called THE HOUSEHOLD REMEDY.

It affords the Proprietors much pleasure to say they are continually receiving kind words and good wishes in its favor.

Messrs. Brown Brothers & Co., Druggists, Halifax, N.S.

Gentlemen.—I have been terribly troubled with rheumatic stiffness of the cords of my hands, and for seven years I have not been able to do any needle work or sewing. I spent a great many dollars in trying to find relief, but without success until six months ago. I used a bottle of Simson's Liniment which has acted like magic. My fingers have regained their suppleness, which I despaired of ever retaining, and now after applying the contents of two bottles I can sew for hours without fatigue to my hands.

LADIES and GENTLEMEN. Why do you poison your blood and injure your stomachs by the use of strong drugs, which seldom cure and always do more or less harm. You can be cured without a possibility of injury by the use of A. NORMAN'S Electro-Curative Belts, Insoles and Trusses.

COMMERCIAL MATTERS.

FRONTENAC CHEESE BOARD. KINGSTON, July 7.—The county of Frontenac cheese board held its regular weekly meeting in the Windsor hotel to-day. There were buyers present Messrs. Madden, Thompson and Miller. Only about 800 boxes of cheese, white and coloured, were registered, and represented nearly all the cheese in stock in the district fit for sale.

Mr. Miller led these present to believe that probably his firm would allow him to beat the bid before the board closed. His expectations were not realized. He complained, however, that the salesmen at the last meeting had used him shabbily. He had offered the same price for certain lots as Madden who purchased all the cheese that had been registered. It was Miller's opinion that the salesmen who owned the cheese he wanted should have sold to him when his offer had not been beaten.

The representatives of the following factories sold out to Madden at 9c.: Washburn, 45 boxes; Rising Sun, 30; Collinsby, 40; Glenvale, 45; Morning Star, 24; Rose Hill, 35; Cold Springs, 35; Storrington, 60; Perth Road, 49. The following factories registered: Duff, 100 boxes; Glenburn, 73; Collinsby, 40; Washburn, 45; Rising Sun, 30; Cold Springs, 65; Perth Road, 50; Oregon, 49; Union, 120; Pious Hollow, 35; Rose Hill, 35; Glenvale, 45; Raitton, 70; Morning Star, 24. During the week Madden made contracts at 9c. for the June make of the following factories: Collinsby, 50; Lake View, 50; Maple Grove, 25; Elm Grove, 75; Pine Hill, 75; Lake Shore, 40, and Hartington, 170.

After the board closed Mr. Madden purchased 210 boxes of cheese. At nine o'clock Mr. Thompson received an order to buy all the cheese he could get at 9 1/16c, but he found that the salesmen had disposed of their lots. There is now no cheese of June make in this district.

Preparing to Receive Them.

Active preparations are being made for the reception of the Kingston Orangemen in Ottawa on July 12th. The Orangemen will pass on Cartier square and, forming in procession, will march through all parts of the city to the music of several bands. Again returning to the square, they will be addressed by the leaders of the Orange association. A deputation of Montreal Orangemen is expected with the others.

A Very Successful Picnic.

The Roman Catholic picnic at Renfrew on Wednesday was a great success. About \$800 will be the net receipts. The contest for a gold headed cane was hotly carried on. The candidates were J. H. McAndrew and Dr. O'Brien. The latter was the winner with 1,815 votes. At Calabogie lake Messrs. J. D. Macdonald and W. A. Matheson won the double scull race. There was an exciting time over it however.

To Publish the List.

It is the intention of the city committee of the Queen's university endowment fund to publish the list of subscribers to-morrow. About \$35,000 has been raised, exclusive of Mr. Carruthers' handsome donation. Principal Grant is in the city, and will remain for some days. He preaches in Cobourg on Sunday.

Bring It Down Speedily.

July is about half over, and as yet there has been no attempt on the part of the finance committee to bring down the budget. The collector should begin his work in August, but the rolls cannot be prepared until the council strike the rate of assessment. And the holidays are coming on too.

Don't Miss It.

Z. Prevost has received this day a direct importation of one case of navy blue English serge, all wool, guaranteed fast colours. He will make a suit to order for \$10.50, and a first-class fit guaranteed. The above goods are such as he has sold in previous years, and they have given general satisfaction.

Several Immense Fish.

Messrs. Jacob and Levi Chase, Consecan, caught in Consecan bay on their hooks they had set for eels, which were just small pan fish hooks, two monster sturgeon which weighed 163 and 149 lbs. respectively. From one twenty-seven lbs. of oil was obtained.

Fell Down the Hold.

Last evening a little son of Capt. Progent, of the barge Alice Pacey, fell into the hold striking on his head. He was rendered unconscious and medical aid was called in. Sad results were feared, but to-day the little fellow is able to be about.
