A Creaking Hinge

Is dry and turns hard, until oil is applied, after which it moves easily. Which the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains.

Ayer's Sarsaparilla has effected, in our city many most remarkable cures, a number of which baffled the efforts of the most experienced physicians.

Rheumatism,

After being troubled with it for years. In this and all other diseases arising from impure blood, there is no remedy with which I am acquainted, that affords such relief as Ayer's Sarsaparilla.

Ayer's Sarsaparilla cured me of Gout and Rheumatism, when nothing else would. It was eradicated every trace of disease from my system.

I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla.

Ayer's Sarsaparilla, Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all druggists. Price \$1; six bottles, \$5.

I have just published a book styled "BERLIN ARTICLES," which is undoubtedly of great value to all foreign importing firms.

RESIDENCE OF SIR JOHN AND LADY MACDONALD.

WIT AND HUMOUR.

Pretty Near. "Been any cases of sunstroke in town this week?" he asked of the boy who was shining his boots.

Not quite, sir. "Was some one almost overcome?" "Yes, sir. See here. This is where my mother hit me over the head with a board, and for three minutes I didn't know east from west. I guess that's the closest shave anybody has had this week."

His Business Qualifications. Father—Well, what can you say for the young man?

Daughter—He's young and handsome and has good business ability.

Father—How do you know anything about his business qualifications?

Daughter—Why, he has figured out for me time and time again how nicely we could get along if you would make us a present of \$50,000.—Judge.

Courtesy to a Stranger. Park Policeman (to a tired looking individual, asleep on one of the seats at the Battery)—Here, wake up. No sleeping allowed here.

Bound by Courtesy. "Ah! I beg pardon, but your name is Gray?" he said as he met a man coming out of the postoffice.

A Camera in Danger. "I suppose the usual crop of summer nuisances is showing up about here, Farmer Jones. Have you struck the amateur photographer yet?"

This Will Make Butchers Growl. "I see," said Smith, looking over the market reports, "that imported bologna sausage remains firm."

Willing to Take Anything Else. "Hanging is too good for you," said a judge to a condemned man. "I know it is," replied the prisoner frankly; "and if you can suggest anything else, judge, you can't do it too quick."

The Picnic. A Texas poet sums up a picnic as follows: Pies and sighs and flies, Many an urchin whacked, Trees and breeze and sneeze, And many a chestnut cracked.

A Negro Uprising in Pittsburg. "There was a negro uprising on Wylie street this morning," remarked the judge. "Was there?" asked the major.

Easily Answered. The professor was examining a young candidate in law. The subject being inheritance, he said: "When a nephew inherits money from his uncle what has he to do?"

She Was Surprised. Husband (reading)—Here is a very interesting article from Japan, on the mikado. Wife—Dar me! has the "Mikado" really really penetrated to Japan! It's quite astonishing!—Puck.

All Medical Authorities Agree that catarrh is no more nor less than an inflammation of the lining membrane of the nasal air passages. Nasal catarrh and all catarrhal affection of the head are not diseases of the blood, and it is a serious mistake to treat it as such.

Humorous Points.

The difference between a poor base-ball player and black measles is that one strikes out and the other strikes in.

The American reading of the biblical injunction appears to be: "It is not well for a man to be alone."

There are few disappointments in life equal to that experienced by a man who expects he is going to sneeze and suddenly discovers that he can't.

Try and be Cured. Lame back and nervous debility, associated with rheumatism, is sometimes met with in every day life.

After Long Years. "I was troubled with liver complaint for a number of years, finding no cure. I tried B. B. B. I took four bottles and am perfectly cured, strong and hearty."
