The Russian Call to Arms in Asia.

The Paris correspondent of the Manchester The Invalide Russe publishes the following Guardian, writing on the 24th, reports as fol- proclamation addressed to the noblesse of the 16 lows: - I had a long conversation with a Rus- Transcaucasian provinces, after the landing of be taken by Baron Parke on our own element we were the object of at- sian gentleman, who is one of the most highly Omar Pacha, by Lieut. General Prince Bebutoff,

commander of the army of Tiflis :-Illustrious Princes and Nobles,-You know that upon the great men of a country rest the foundations of the social life, and that they al-

The reason for which our enemies have risen against our Emperor, the only orthodox Czar in the world, is not known. They have envied his power, they have been jealous that he, full of love for men, conformably to the law of the Saviour, should demand for the Christians living in Turkey relief from wrongs and sufferings. Three powers, calling themselves Christian, have consulted with the enemy of Christians, and have proposed to overturn the grandeur of Russia, and to destroy the protection beneath which we now repose.

The Turk, in entering your sacred country, pollutes it. . He threatens to destroy the law observed steadfastly by you in the course of eighteen hundred years; he threatens to destroy all upon which your prosperity rests; the church where sleep your illustrious ancestors; the houses which shelter your wives, your children and your property; the distinction of classes b which the high are distinguished from the low and which has been from all time your privi-

The enemy has not remembered that in your prayers to the Almighty you utter these words: Make my heart pure, oh God! and raise up my spirit in distress"; he has forgotten that your faith has been watered by your blood, and that the prosperity of your families rests in your own hands, which have never proved unfaith-.. Our Government is persuaded that there is not one among you who cannot discern falsebood from truth, and defeat the snares of the your property, and the destruction of your

The time of trial, sent by the impenetrable decrees of God, has come; the hour in which the soil, desecrated by the feet of your enemy, must be purified—that soil consecrated by St. Andre and the holy martyrs-the hour in which the ashes of your ancestors, lying in your temples, must be protected from sacrilege; your personal dignity be maintained intact; your wives, children, and property be defended

and Mingrelians, who were never vanquished in the times of old.

It now depends on you that this war with the enemy becomes the cause of the entire people, and be waged throughout the length and breadth Had Russia the warning of one port really de- have a doubt as to her destinies. Besides, when behind every stone, prepare his death, in order stroyed shewould be compelled to keep them all you have taken Moscow and St. Petersburg, that the indefatigable adversary of our faith be disabled from sending reinforcements to the on the earth's surface to occupy Russia, or to ried in Christian and consecrated ground; let may learn at last that he is unworthy to be buseat of war in the south. So far, what has been turn Russia to any account whatsoever. For him know that you will bury him where the done for military purposes, is ridiculous as a the moment, conquer us as much as you please, sound of Church bells is unheard—in the spots Salvation to you, in the name of the Lord, illustrious princes and noble gentlemen; rise
