They are in an excellent state of preservation Two of the largest are seven feet 7 inches, an the aggregate weight of the whole exteed seventeen tons. The sculptures are in relie and represent trees, and human figures, some times with wings or eagles' heads, and alway with the " mystic basket." There is a great deal

ed by the late Mayor from his Lordship the Bishop of the Diocese, acknowledging the receipt of a copy of the Resolutions passed by the Congregation of St. Peter's Church, in this Town. The Resolutions, as our readers may remember, strongly deprecated the movement set on foot by the friends of the Hon. F. Hincks, by means of political influence, and large subscriptions, secretly and insidiously raised, to obtain the appointment of the Rev. Thomas Hincks, as first incumbent of the new Diocese east of Toronto. following letter, we have no fears for the result.

Those few individuals, who have placed themselves in opposition to the wishes of the Synod, will, it is hoped, return to the unity of

purpose without which they cannot expect to
