THE WAY IT WAS DONE.

In 1852, Herapath's Railway Journal spoke thus: "When we saw railways in America

constructed at £4,000, £5,000 and £6,000 a mile, we hugged ourselves with the belief that there, at least, railway corruption had not yet found its way. Alas, we have been doomed to disappointment. In Canada, to our sorrow, we find men are not a whit better than here. Cheapness o construction has presented an attractive Alma, place for jobbery to pitch its tents, and we Geo. Law, Apr. 20, blish an Italian view of the Grand Trunk | America,

"A. came from the Canadas to London, to try to get the English Government to endorse or guarantee certain debentures of Canada, New Brunswick and Nova Scotia, for a railway from Halifax to Quebec. He failed. A. met with a gentleman on the other, it was arranged that the parties in the first part should have the construction and supplying with plant and line 1,100 miles in length, beginning some distance east of Quebec, and running to Sarnia, on Lake Huron. Strange to say, the WANTED, at this Office a good JOB Did any one ever hear of such a commer- Price 2d. sell goods to fix what the purchaser has to vrappers for mailing. Price 4d. each. Issued pay? One might suppose that A. was a every Friday morning.

"Prior to this arrangement of A with B, there were three companies formed to execute certain portions of the line, one from Quebec to Richmond, to join the Montreal and Portland; another from Moutree) to Kingston; and a third to go from thence to Toronto.

ninny or B. an angel.

"Soon after the return of A from England, the President and Vice-President of the Montreal and Kingston section informed Government that they deposited their 10 per cent., some 60,000%. and only waited for the Government's assent to proceed. They stated that they had contire line at 5,000%. a mile, that is, to construct and furnish the line with plant for will moster strong on the 23rd in honor of their working it just as B, C, D, and E now patron Saint. propose to do.

TORONTO: -

We, the undersigned, the Ministers and Churchwardens, and others, within the City of the ecclesiastical affairs of our Church. time like this, when our beloved Church is We observe by the proceedings of the Easter was defeated near San Jose, by five hundred thrown on her own resources for support, individuals, much less congregations, should not be silent, but express their sentiments in a Christian spirit and a courteous manner. We cannot but regret that, at such a period of our Church's history, when it becomes essential to her wellbeing that the most cordial unity should exist among her members, the occasion of the division of the Diocese of Toronto, and the erection of the new See of Kingston, should have called forth charges of the most grievous nature against certain Parishes, together with their Ministers, calculated to produce heart-burnings We respectfully submit that the Parishes in

this city and neighborhood have done nothing to call forth the denunciations made against them. In the whole course of their proceedings they have desired to act in strict accordance with the constituted authorities of the Church of England and Ireland. We would recall to your Lordship the beginning of the present agitation. Whatever the weight of authority due to the decisions of the meeting of Clergy and Laity of Toronto, under the superintendence of your Lordship, a certain portion of the clergy | Toronto is daily expected. seem to have paid but little attention and respect to it; for, almost immediately after its rising, an active canvass was made to put forward the name of the Archdeacon of York in connexion with the future See of Kingston. To meet this, the members of the Church of England and Ireland | a large space in the city papers. His Ex in this city petitioned the Queen and the Archappeal, to select the incumbent of the future See from among the clergy of England and Ireland, deprecating the proposed appointment. We ask-

ed for redress where we had a right to expect it. According to the constitution of our Church, we believe the Archdeacon to have the charge of her temporal affairs within the limits of his Archdeaconry; and in the exercise of the trust, the venerable Archdeacon of Kingston drew out a plan to be submitted to the various Par- dom has been dull and declining; and although ishes, through their members and wardens, and, but a limited business appears to be practicable with that object in view, requested a meeting of in any quarter, the reduction in prices is calcag the clergy, which was held in St. George's lated to induce consuming buyers to eater again School-room.
