Dr Jas. McClintock's Whooping Cough Remedy and his Diarrhea Cordial have become the great leading and standard remedies in families, nurseries, and every where they are known. Whooping Cough, Croup, Asthma, &c., and Diarrhea, Cholera Morbus, Cholera Infantum, and Summer Complaints, are immediately relieved and speedily cured by their prompt effects. Are the discoveries of an eminent and scientific man founder of the Philadelphia College of Medicine.

Valuable Household Articles—Dr Jas. McClintock's Alterative Syrup, for purifying the Blood, Eradicating Pimples, Blotches, Scrofula, and all kinds of Taint from the system, thereby nourishing, strengthening, and building it up; also, his Dyspeptic Elixir, the Great remedy for Dyspepsia, Loss of Appetite, Indigestion, and all the diseases that follow these complaints. They are a combination of the virtues of the best remedies the vegetable kingdom affords.

Dr James McClintock's Sucess in treating diseases of the Lungs and Throat, while at the head of the Philadelphia College of Medicine, has given him a world-wide reputation. Cold and Cough Mixture removes every vestige of irritation from the Throat and Lungs in the worst cases of Cold Cough, Catarrh, Influenza, &c., and where these too-often-neglected complaints have become merged in Bronchitis or Consumption, his Pectoral Syrup will save the patient in cases which are usually pronounced hopeless.

Multitudes are now suffering under the debilitating effects of Fever and Ague, who might speedily be restored to health, vigor, and usefulness by a course of Dr. Jas. McClintock's Fever and Ague Specific. Its curative results are certain and invaluable. If the complaint is complicated with Liver Complaint, resort should be had to Dr. McClintock's Anti-Bilious Pills, which never fail to afford relief in Bilious diseases.

Excursion to New York City!

THROUGH IN TWO HOURS!!

BULLARD'S PANORAMA will be exhibited at Kingston in the

CITY HALL,

THURSDAY, FRIDAY, AND SATURDAY EVENINGS, JULY 3d, 4th, and 5th,
At half-past EIGHT o'clock. Also on SATURDAY AFTERNOON, JULY 5, at 3 o'clock.

The Panorama moves before the Audience for nearly two hours, and takes the spectator over SIX MILES through the streets of New York City, in the midst of the business—in places and through streets which to a stranger would be of most interest, and he would be most likely to visit; and while he is apparently passing along, he has extended perspective views of the buildings, on both sides of upwards of FIFTY STREETS, which, collectively, being about forty miles of buildings, gives him a view of the city city and its people," as it would appear to him if he were to go there, and walk through the streets among the bustle and confusion of THE EMPIRE CITY. He will have a faithful and exact view of the magnificent churches, public and private buildings, the shipping and steamboats, horses and carriages, omnibuses, railroad cars, and the THOUSANDS OF PEOPLE who daily throng the streets of New York. Distinguished men and acquaintances are readily recognized among the crowd of persons in the streets. The signs can be read the same as if you were in the city, as all are **FAITHFULLY** represented upon this painting—public and private processions, military companies, firemen and their engines, bands of music, &c., &c. While the Panorama moves before the spectator, over 700 horses and carriages pass in view, and more than 10,000 of the people of the City at their daily business.

It is impossible to state all that is to be seen on this moving painting. Persons viewing it can hardly persuade themselves that they are not actually in the city among its business and bustle—viewing the citizens and strangers as they really are in every day life at their avocations, and persons unacquainted in New York City, will get a better view, and gain more information of the city, and its people, by once seeing this Panorama, than they would to actually visit the city and walk its streets and thoroughfares for ten days, as thousands of persons have testified.

At each exhibition of the Panorama, as it passes before the spectator, an explanatory lecture is given by Mr George Doel, one of the Proprietors of Mr Albert Norton, illustrative of New York City, its statistics, buisness and resources its people, their go-aheadativeness; and much valuable knowledge of great importance to a stranger, and of general and instructive information to everybody.

Admission 25 cents, Children, half-price. Reserved Seats, 50 cents.

ALBERT NORTON, AGENT.

It will also be exhibited at Picton, Milford, Wellington, Northport, Demorestville, Consecon, Brighton, Colborne, Percy Frankford, Trenton, Belleville, Shannonville, Napanee, Newburgh, Mill Creek, Bath, Gananogue, Brockville, Prescot & Ogdensburgh.
