Burning of the Northern Indiana.

ADDITIONAL PARTICULARS OF THE DISASTER Michigan Central Railroad Line, arrived here Hastening to close, it becomes my duty as well te had conserning the burning of this noble veslire originated about 11 o'clock, in the woodwork about one of the chimneys.

Capt. Ralph informs us that when he hailed the Mississippi, the guards of that steamer were fairly black with human beinge; shawls, blankets and scarfs were waved, and he was fairly deafened with cries of "tell so and so I'm safe be sure and let my wife know all is right," The Young Men's Christian Association beg &c., &c. But he could not distinguish any one, beient to have saved twice the number of pas-

ingers aboard of the Northern Indiana. Buffalo, July 18 .-- We have the following adwork around one of the chimneys and spread

Mr Wetmore, the mate, commanding, in the the absence of Capt. Pheat, exercised himself his ulmost to save the passenge s and was the last one to leave the burning ship. He stood at his post throwing doors, stools, life-preservers, &c .. to the passengers, who, with wild excitement were leaping overboard in masses. The weather was pleasant, and a dead calm prevailed, and 116 Mr Wetmore says, that could be have controlted the recklessness of the passengers in jump- | Provisions-Beef, Mess, per bl ing overboard, not one of them would have been lost. During the excitement some of the firemen and deck hands launched a small boat into which several of them jumped, but it was drawn under the wheels of the steamer and they

16 | were lost. The steamer was towed in shore by the pro-260 peller Republic, and now lies in Pigreon Bay, Bs. 790 | above Point au Pelee, in ten feet of witer. Her cords 30 hull is said to be uninjured. With favorable 50 | weather she can be towed into port.

With regard to the number lost, the reports are conflicting, and a correct estimate cannot be made, as the ship sheets were destroyed. Bank Bills, at 60 d.s., onLondon, 10 a00 prem. Mr Marah, the clerk of the vessel, arrived at Private do. at 90 d.s., Cleveland this morning. He says that not less Bank 7 than fifty have been lost.

The propeller Republic, supposed to have saved a number of the passengers, strived at 2 Detroit this morning with several of the crew, | < OPERPORED CONC but with only two of the passengers. We have | 3 3 3 3 3 3 5 5 5 5 5 5 9 no names of the persons either known or sup-9 posed to be lost.

ANOTHER DISPATCH. Detroit, July 18 .- The number of passengers £43 11 3 saved from the Northern Indiana, brought by the Mississippi, is 142.

The following persons are known to be lost: Sewall Turner and Daniel Gray, of Rome, Maine. Michael Furke and Thomas Farle, of Buffalo. Mrs Eliza Blanchard, of Augusta, Mc. Henry Nims and child, of Tulley, N. Y. Augustine Fistvalle, of Buffalo.

Geo. Lawson, of Brockport, N. Y. Miss Mary Layard, of England Mrs Mary Ackredys, her father, mother, husband and two children, of England. G Smith, of Buffalo.

Eugene Cary and child, of Greenbush, Wis. Miss Jennings, of Waverly, Ill. Hezekiah Thomas, of Buffalo. Ni cholas Commerford, of Rochester. A lady and a child of Louisville. Three coal heavers, a deckhand, and a child.

It is feared that more than these have been The captain of the Republic thinks none were saved except those on board his own vessel and

the Mississippi. Our citizens hald a meeting last night and raised \$800 for the sufferers, and several more hundreds were raised for them to-day. Every attention is paid to them. Free Railroad and Steamboat passes are furnished them, and the hotels and telegraph are also free to them.

The St. Lawrence and Lake Trade.

It would not require a very extraordinary ef-

of navigation. Already vessels have sailed direct from ports on the Great, Lakes to ports in Europe, and have returned again. Indeed, to second Mediterranean, and employ steam and second Mediterranean, and employ steam and second Mediterranean and tonnage to almost any exsuitable vessels, Lake Ontario might become a elsewhere on Lake Ontario, and carried to Liverpool, London, or Glasgow, direct, goods from the British Isles being directly received in return, or small craft suitable only for inland waters; might be used on the lakes, and large shipof ping warehouses or depots be established at Quebec, to be filled with farm and mineral proyear of a number of steam or other ships at the difficult of sale at 28s to 31s per barrel. port of Quebec.
