THE CALEDONIA SPRINGS .- Those wishing for bealth and fresh air, cannot do better than to pay a visit to the Caledonia Springs, where they will obtain both on very moderate terms. Every inch of ground around the Springs is covered with crops of different kinds, which gives the place a very fine appearance. There are delightful drives in the immediate neighborhood, and highly cultivated farms, not surpassed in fertility and cultivation by any other part of Canada. There are three kinds of Water, the paid. The baths a e composed of all three waters combined, which cannot be had in any part of Canada, nor perhaps even in the United States. The Baths can be had either cold or warm; and vapour or steam baths, and shower baths, composed also of the three kinds of water. The Sulphur Bath is superior to sea bathing. The price of board is reduced to one dollar a day, with as much water as can be used. The Baths are charged extra, but at very reduced prices from former rates. cial way at the meeting on Thursday evening. The list of diseases, cured by the Waters will be of their education.
