Another Tall Spirm. The new Episcopal Church, when completed, will be a magnificent structure, such a one as is seldom seen in a town of the size of Brantford. The entire length of the building, from the extremity of the buttress footing, will be 143 feet; the material to be used in the erection of the wall is white brick with stone dressings. It will be divided into each, of superior workmanship, and made aisles and naive by pillars and arches which sup- | this spring. port the clear storey. The height of the aisle Also, the chains, anchors, and other ship gear walls above the floor will be 24 feet, those of the | belonging to said vessel. nave about 40 feet, the roof is open to the ridges, and will be about 55 feet high. The church will seat Sentinel, to copy until the 18th inst., inclusive, down by the Association. comfortably 700 persons, independent of galle- and send paper containing the advertisement ries, and the estimated cost, when finished, is and account to £5,500. Thus the church people of Brantford, after long consideration, and a multiplicity of meetings, have at last taken a step in the right direction .- Brant Courier.

Theodore Hook, describing a badly dressed GEORGIA LOTTERY! dinner, observed that everything was sour but

[That was very crabbed of Mr Hook; but it] must have been in the dog days when nothing will keep but a bad temper.]

Music in Another. - An Austrian political economist has calculated that with the annual money paid in salaries to the prima donna of Vienna, "a hundred miles of marsh land might be turned into fruitful corn fields." The professor forgets that, nevertheless, the singers, by their sweet voices, do their best to cultivate the finest ears.

A WORD ABOUT SICKLY SEASONS .- The lives of thousands of children and grown persons might be saved and restored to perfect health by the imely use of Dr McClintock's Diarrhea Cordial. By its use Diarrhea, Choiera Morbus, Dysentery, Cholera Infantum, and Summer Complaints are instantly relieved and speedily cured. Discovered, and administered to over two hundred cases in a single day, at the City Cholera Hospital 11th inst. and City Prison, Philadelphia, during the dreadfulepidemic of 1832.

While Thousands of Scientific Men have kept the result of their discoveries a secret, or laid away in musty books on publishers' shelves. Dr. Jas. McClintock, late Dean of Philadelphia College of Medicine, brings out his discoveries in medicine in the way of a real scientific remedy for each disease. His Dyspeptic elixir and ment by James Wright, Esquire, Agent DEGS to inform the Ladies of Kingston and his Tonic Alterative cures dyspepsia and indi- Equitable Fire Insurance Company, for loss D vicinity that his gestion, and purifies the blood, invigorates the and damage to Furniture at late fire in system, and prevents disease.

Dr. Jas. McClintock is known wherever profound science and vast experience are appreciated, as the most successful of living physicians in the treatment of Pulmonary complaints. His Cold and Cough Mixture removes Colds, tions of the Respiratory System, as certainly as machinery. water quenches flame; while his Pectoral Syrup is the only reliable cure for Consumption, Bronchitis, and all serious diseases of the Trachea Fever and Ague, derives immediate relief from sale, Dr Jas. McClintock's Fever and Ague Specific.
