(Trinity Term 20th Victoria.) The following gentlemen were admitted this

term as members of the Law Society : In the University class -- Messre. H W. Murray, B.A., A. McNabb B.A., B. M Britton, B.A. In the Junior Class, Messrs. R. L. Benson, S. G. Wood, W. P. Laird, E. M. Chadwick, H. F. Ellis, W. J. S. Kerr, E. B. Haycock.

it should be noticed that the gentlemen admitted into University Class, take precedence according to the date of their admission to the de-

Messrs V. McKenzie, B. A., and E. R. Benson, were sworn in as Attorneys at Law and Solicitors in chancery.

We understand Mr G. W. Draper, Barrister-at-Law, intends issuing the new rules of Court, under the Common Law Procedure Act, 1856, in a few days. He will also connect with the rules the new Tariff of Fees which has been sanctioned by the Courts.

The Journal des Annonces, of Lisle, announ ces that a married woman residing in a commune near that town, and who has twice been brought to bed of twins, has just been safely delivered of five children-three boys and twogirls. All the children are well-formed, but small, and are in good health. A singular phenomenon is stated by the Journal to have attended the pregnancy of the woman. During the last two months all the objects before 'her eyes. appeared to be several times repeated, but since " of Au- her delivery her sight has returned to its natur-

The latest excitement in the musical line ut Cora de Wilhorst made her appearance as a public singer. Mme. de Wilhorst's maiden name was Withers, and she is connected with some of the wealthiest families in New York. The event wok place at Ocean Hall, which was crowded. Mme, de Wilhorst is described as a delicately framed, beautiful woman, under, twenty. Her voice is high soprano, and is said to resemble in quality that of Miss Louisa Pyne. She intends to adopt the musical profession as a means of

THE STEAMSHIP ADRIATIC .--- We have been informed that this steamer is now being insured in England for £175,000, at eight guineas per cent per annum. We have also heard that she The London papers publish at full length the is to make a seven days voyage previous to being put on the station for Liverpool. She is views of the American Government on the pro- bex nected to leave New York about the end of maxt month. We have heard much of this vessel, and we know that the Americans have done Miss Nightingale has declined a proposed pub- fall in their power to make her a fast boat. We shall await her arrival with interest .-- [Gore's Liverpool Advertiser.

We understand that a considerable number of persons from this part of the country, intend to avail themselves of the Free Grant of Land, offered by Government -- many have already start. ed on a prospecting tour-the Hastings road set-. Thomas, the manager, V. Re wlands, the over- tlement seems to be the favorite location. | | Kemptville Progressionist.

> EXTRAORDINARY SWIMMING. - A correspondent at L' Islet informs us that :- About noon on Sunday last two dogs, one a Newfoundland and the other an Anticosti breed, left the Pillars Light House, and swam across to the south . shore, and landed safe, about one league below the St. John's Port Joli church, thus accomplishing the extraordinary distance of ten miles, across a strong ebb tide.

Joe Pentland's celebrated Circus Company arrives here this morning, and will show off this afternoon and evening, at 2 and 7 o'clock.
