## Kingston Markets.

Sept. 11th. 1856 The weather for the last week has been uncommonly pleasant, and after the late moderate

cains must have had a revivifying effect upon the root crops, and pastures. Flour in barrels maintain last week's quotations for all grades as quoted below, and the

same may be said of farmer's flour in bags, there being no excess in market,

Vegetables of all kinds plentiful, and fruits abundant on the stalls, supplied principally from the States. A waggon load of melons raised in Hay Bay, was sold "in the lump" at 1s each small and large. Is 3d to 2s 6d was previously asked singly.

Potatoes have declined a little in consequence of importations from Lower Canada and adjacent ports. Indeed, the bulk of the cabbages consumed in the City have been supplied from Montreal, the facilities of transport on the Sta Lawrence and by the Railway giving our dealers a great advantage.
