Till men of spoil Diadained the toil By which the world was nourished, And blood and pillage were the soil In which their laurels flourished, Now the world her fault despairs-The guilt that atains her story, And weeps her crimes amid the cares That formed ber earliest glory.

The throne shall crumble, The diadem shall wane, The tribes of earth shall humbi-The pride of those who -And war shall be-His pomp aweroes cherish— The fame sed in deadly fray— The gloade away and perish The art that calls the harvest forth, And feeds the expectant nations.

A correspondent at Moscow has sent loss. the following details of the entry of the Emperor into "the holy city," which took place on Saturday, the 30th ult.

"A little after mid-day, a salvo of nine tuns from a battery posted opposite the Tchoudow Convent, followed by a peal of bells from the Cathedral of the Assumption, gave the signal to all the bells of Moscow to begin jingling. Their deafening clang has continued ever since, and only Indian Anglo-Saxon those who have witnessed can imagine the N American noise and vibration of the air produced by Canadian such a mass of tintinnabulary metal. As soon as the hurricane of clangour broke | KF Single copies of the Daily News may be happy to say, in the estimation which we have of the city. out, actors and spectature of all ranks and had at the counter of the publishing office formed of the degree of criminality attached to degrees hurried to their post.

gens d'arme to clear the way. The Emperor was preceded by his body guard, in their magnificent uniforms, aquadrons o Cossacks of the Black Sea, and of the regiment of Guards, the representatives of the haute noblesse on horseback, all in uniform, the representatives of the Asiatic opulations which acknowledge the Sovereignty of Russia, with valets, lacqueys, and Masters of Ceremonies and others, with terest at Paris is the arrest of numerous memtheir badges of office.
