Mr A. Campbell, of Napance, rose and asked several questions of Mr Murney as to his past votes, and how he would in future vote on the same questions, all of which were satisfactorily answered. The subjects referred to, however, were afterwards treated of more fully in Mr Mur-

Mr Murney did not seek place from any seifish ought to be made for public men, who should not be viewed with suspicion. They were re-WESTERN DIVISION .- The following is the re- sponsible to God for their public acts. Mr. voted on those questions, referring for proof to the Journals of the House. He appealed to the electors that his past acts, which were so attested, and which could not be recalled, were as good a guarantee for the future faithful discharge of his duty as any man's mere promises. He referred to the amendment of the Legislative the exclusion of all sectarian teaching in common schools. He wished all children to attend on the same conditions as his own. He had voted tagainst the improper expenditure of the public monies in Lower Canada, and against any ment. He voted against the Seigniorial Tenure the local improvements in Quebec, and ecclesias tical corporations. On the Duval case he voted for the production of the judge's charge. He regarded the appointment of Mr Langton the office of Auditor as a job, not having been put in a position to be independent. On the Grand Trunk Railway question, though not opposed to improvement, yet, when the question was between the interests of the shareholders and his country, he preferred the latter and had voted against the aid of £2,000,000 and the givling up of the first lein on the road. temperance question with the greatest of delicacy. He did not believe that we could be mad better by acts of Parliament. This improvement must be effected by the influence of society, by good advice and not by violence. The gentleman (Mr Felton) who had charge of the prohibitory Bill had changed his mind on the sub ject, and had bro't in resolutions favorable to more stringent license law, which had his (Mr M's) support. Mr Murney's speech was also received with frequent applause. At the conclusion of his address an elector

vanced to the stand Mr Murney was occupying. and asked him if he would vote for separate

Mr Murney-I will not. The Elector asked the question from his place in the audience, and received the same answer Elector-That is honest at any rate. Mr Murney --- I do not know whether you are a Roman Catholic or not.

Mr A. Campbell then moved, in substance, seconded by Mr R. Esson, That from the long and faithful course pursued by E. Murney, Esq. this meeting has full confidence in him.

Mr Campbell reviewed some of the votes which Mr Murney had given, to show that the two candidates did not differ in sentiment, judging the one by the opinions he had proclaimed
