INSUPANCE. -Mr Ambrose W. Thompson, No 10 Wali Street, has been appointed agent in this city of the Farmers and Mechanics' Fire and Marine Insurance Company of Philadelphia. This Company is one of the most respectable in Philadelphia, and has the Hon. Thomas Florence for its President. It has complied with the law of this State in regard to companies belonging to other States, and has provided an according trust Fund of \$100,000 with Messra Daucan, Sherman & Co. Messrs. Bushing & Co of E. H. Hardy, Esq., Princess Street. pathlish a card of thanks in the Philadelphia North American for the prompt manner in which this Company settled its losses on their establishment, thus enabling them to resume business without delay .- N. Y. Tribune.

S. Rowlands is agent for the above-named Company in Kingston. Office No., 4, Wilson's Buildings, Wellington Street.

LIFE INSURANCE. - The British Commercial Life Insurance Company of London, established in 1820, capital and assets over one million sterling, affords the highest security to persons desirous of insuring their lives. Bankers, Glyn, Halifax, Mills & Co. Proposals for Assurance in the above-named Company received and all information given by S. Rowlands, No. 4 Wilson's Buildings.

HAIR RESTORATIVE .- In our columns to-day will be found Prof. Wood's advertisement of above article, to which we call attention. What it has done, we have witnessed upon several of our acquaintances in St. Louis. Hair once gray met our view, black or brown as the case might be, and glossy as silk, and that without any other done this upon others, will it not do the same On which day, without fail, there will be sonville Constitutional, October 5, 1854.

Ulcerous Sores .- A poor man named Mackey . in the employ of Lieut, Webster, of Pugwash, was terribly afflicted with several ulcerous sores on his body, and two on his leg, which rendered him a most miserable object, and frequently deprived him of the means of earning his daily bread; he obtained advice from some very eminent medical men, but he did not get any better; however, the gallant and humane Lieut. finally purchased for him a quantity of Holloway's Ointment and Pills, which Mackey commenced using: he persevered with these remedies for only nine weeks, when to the astonishment of every one, the ulcers had entirely disappeared, leaving scarcely the scar perceptible after 19 years of acute suffering. These famous medicines will cure old wounds even of 30 years standing.

We would advise every body afflicted with Rheumatism, Neuralgia, Geut, Lumbago, Sciatica, Swellinge, Sprains, Asthma, (and other complaints named in Dr. Smith's Bills,) to try the "ELECTRIC OIL"--- It is making rapid cures every where--- Examine the name "A.
