BOBDER RUFFIANS AROUND A PRISONER. To my astonishment, the moment after landing I perceived that the older gentleman whom had seen on the hurricane deck was a prisoner. Surrounded by a number of persons, including the United States officers, he was led off to McCorty's Hotel, my purposed place of stay. "Who's that they've got there?" "Who's that been caught, ch?" were the eager questions ; on many sides. "It's Governor Robinson, been brought round from Lawrence by way of Kansas city," was the reply of one in the crowd " Governor Robinson, Governor Robinson! Who raught you to call that infernal nigger-stealer Governor, I should like to know?" was the 10stantaneous rejoinder. "Say that word again | good authority that not less than \$160,000 was and I will blow your brains out for an Abolition | sent into Pennsylvania from the slave holding traitor; he is Doctor Robinson and nothing States-in addition to the \$50,000 contributed else, that's what he is, and he shan't be that by the Rothschilds, through Mr Belmont, and ed Abolitionists." Thus surrounded by the \$100,000 raised from the bankers and brokmenaces and imprecations of a savage mob, the ers of Wall street. It is probable that very ex-Governor was led up the steep road which nearly \$500,000 was expended by the Democonducted to the small wooden house known as McCarty's botel.

While Governor Robinson is in a front room of the hotel, in the course of being examined and the mob are shouting without, "Let us get hold of him; d-d if we dont serve him out ic account of a visit to Kansas is given by the | the office of the hotel. It is a new combination in the moral world--if we may allow so singularly inappropriate a term-as we have new combinations in the chymical,

The New York Times says, that it has it from cratic party in carrying the late State elections.

Two men named Scarborough and McDonald who were engaged in sinking a drain in Yorkville, on Monday last, had a narrow escape from death by the caving in of the sides. McDonald was completely buried by the mages of clay. but Scarborough, who was the overster of the work, was only partially covered. By energetic exertions both were rescues alive, although we regret to learn that McDonald sustained severe but happly not fatal injuries.

Bower, the Romish Priest, in Cleveland who punished a child so severely that she died, for attending a Protestant Sunday School, has been bound over in the sum of \$6,000 to appear before the Court of Common Pleas, on a charge of murder in the scond degree.
