We might say a word about the new Atlantic. Speaker, considering whence he comes; Peterson's Counterfeit Detector, and Bank but the Toronto organs, those terrible lickspits, have done the work to our hands. Our readers will find all that we could have said of the Hon. Henry Smith, pubthished in another o lumn.

Canadian Loyalty.

Our readers will find in another column some half dozen extracts from leading Canadian papers, all strung together, and nually many hundreds. having refe ence to the immediate formation in Canadia of another regiment of Intartry, to be called the 100th of the Line. For the past dozen years nothing has been heard in England of Canada, that has not been strongly tinted with loyalty. No people have shouted 'God save the Queen'more v ciferously and no people have ! bragged more of their loyalty. The feel. ing has been almost universal, and almost the only sceptics have been our humble selves. Canada is the freest country on the face of the earth; it is, the most happily governed; its; opulation of all shades of party henceforth, until the end of the present and creed are content; and the strongest attachment to the Mother Country, and to the person of its Sovereign exists in the the bosoms of all. Even those natives of the Emerald Isle, who emigrating to the Juited States, were fiorcest in their de nunciations of British rule and British tyranny, like Mr. D'Arcy McGee, when they come into Canada, ecase their treason able expressions, and slink into the most Palmerston and Panmure, with Mr. Laboughere, have mistaken for such a feeling. | by population, irrespective of any territoria. Canadian loyalty is a not; me tangere affairit takes all it can, and gives nothing back

in return.
