PARLIAMENTARY MATTERS

From the Spectatat.

Toronto, March, 1st. the preposition to allow the majority Speaker, not multiple that majority is only sometwo or three, and the Lower Canada mejanty in tawor of the Ministry at least 43, was so menstrous that we are surprised even at Mr. Hogan for broadling

it. Mr. Sundfild Maccionald seemed to centertain the same epinion as the member for Grey, and no d subt it was the view of the whole party. The idea of their wishing to put forward a Ministerialist was rich in the exceme, and becaused their want of consistency; but this was an after considerstron, for we have been assured that it was actually decided on at first to put forward Mr. Donion. This last proposition was too much for the ultra sectaries, and the "bright particular stars" of the Opposition phalanx soon perceived what a sarry compromise of their position it would be to nominate an ultra montana. Condulate after all the roise they had om de about "No Popery" and "broad intestantism." The idea was wisely aban loned, and the Opposition saved them. escives the degradation which awaited them as the con-equence of such a movement. There was no barmeny of interests, however, and the fact was soon rendered arparent that the power of conesion had forsaken Hei Maj sty's so called I val Opposition. It was pitiful to wi ness the exhibition of weakness displayed. As the leader of the party. Mr. Brown took upon him se'l to declare the course his party intend. d to pursue, which was that no, opposiof an would be offered to the nomination of Mr. Smith. The spell was by no means

last all con rol of his party. Mr. Macthe grantetto then down the grantetto thene Our city was yesterday afternoon thrown | small chagrin of his quasi ally, and the opportunity or making a display, he broke On Monday last an old lady, aged 67 away from his leading strings, on I holdly
