Chr Dailly Billing Bills. Op, fer per Orbein Niens TUESDAY MORNING, MARCH 9, 1858.

Letters and Telegraphs. H. B., Toronto ; B. D., Montreal ; P., Belleville , P. M., Napanee.

THE . EUROPA'S' NEWS. Lord Palmeraton has been defeated on his bill to prevent Louis Napoleon being assassinated, but the telegraph does not tell ve what followed his defeat. Certainly not aton is thought to have surrendered English independence, and as his foreign policy is The Living Age, No 719 et 720. Littell, his great strength, he may be deposed soon. The def at of the bill is also significant of that which has been asserted to be imminent-the decline of Louis Napoleon.

ARRIVAL OF THE "EUROPA."

DEFEAT OF THE MINISTRY. SANDY HOOK, March 6th.

The ateamship Enropa, from Liverpool on the 20th ultimo, has arrived off this

-point. The Europa arrived out at Liverpool on the 15th ultimo, and the Kangaroo on the 17th. The Europa will be at her rations for it; and to those to whom the duck this evening. GREAT BEITAIN.

The Speech of Mr. D'Arcy McGee on Lempire the Address.

Canada, and if not bought up, will prove a sore thorn in tha sides of Ministers, we make adequate faces to protect it. In an Address

The Speaker took the chair at three general indications of what were the Ministerial intentions either during the present session or in the future. This being the first meeting of a new Parliament one natural looked for some fresh ess in the public gramme; but they looked in wain main indications were, that one or two popular measures which had oven well discussed out of doors would be made Ministerial meaimprisonment for debt; either the abolition ofit ie usary laws, or the raising of atandard of the tegal rate of interest; enacting of a bankruptcy law. The Minteterral intentions in this respect followed elatement in relation to the late commercia crisis in the Province; but for his part he had been unable to discover in this proposed commercial legislation a remode for the presenting distress and emparrassment. (Location taxes by the ministry in preparity the Address was like that of gotter to a man whose system was deranged and talking to hon of his grave clushes and outh -[faughter.] The revenue returns of teal? showed a balance of £2 son,000 curvenus against the credit, of the Progince, and whilst the statement of the distress was clearly given in the Address the statement. the remody was deficient. He supposed that these omissions in the Address must be attrihuted to the great demands made upon the Hon. Lispector General, who was not at present in the House. He percented by the reputed organs of the Government, that the hon gentleman has had a very interment others, of Port Hope, complaining that by travelling about in various discetions, no reason of the refusal of the judge to pro- doubt accumulating a mass of industrious ceed on the application of the petitioners to details which would be highly valuable in enquire into matters connected with the the tuture discussions on the industry of the illegal return of H. D. Button, Esq., for Province, for a more industrious labourer the county of East Durham, the right of he was sure could not be found in the Prothe semi accounts, with that degree of gratification which a more worlding like himself might be expected to feel on such subjects, that the Inspector General had presented to egreral associations in the counties of bluron and linue several copies of the Sacred Scriptures. [Laughter.] was a spectacle rare and retreating to see the Inspector General, the Chancellar of the hon, gentlemen to judge of the religious tions to the present Legislative Assembly, Province, voluntarily turn missionary and opinions or philosophical ideas of their is- showing the aggregate number of votes act the part of a colportour in the neighbormented friend; for these opinions and ideas polled for each candidate in each county, hood of Lake Huron [Loud laughter] to give a single sentency in the Address ! he had already rendered an account to his riding, township, city, town, parish, pres He must further remark that the good state where her decision had placed the fuphia publication, the best extant, will be of inability to give them in detail.
