THE LIVER NVIGORATOR PREPARED BY DR. ANGLO. Compounded entirely from Gums,

S one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced the operations of most Cathartics. strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build up with unusual rapidity.

The Liver is one of the principal regulators of the human bo- dy, and when it performs its functions well the powers of the system are fully develop- ed. The stomach i almost entirely depen- dent on the healthy action of the Liver for the proper perfor mance of its functions. When the stomach at fault, the bowels are at fault, and the whole system suffers in con; sequence of one organ -the Liver-having ceased to do its duty. For the diseases of that organ, one of the propriet re has made it his study, in a practice of more than twen- ty years to find some remedy wherewith to counteract the many derang sments to which it is liable.

To prove that this remedy is at last foun any per on 'troubled with Liver Complaint n any of its forms; has but to try a bottle, and] conviction is certain. These Gams remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing fooder to digest well, parify ing the blood, giving tone and health to the whole machinery, re-o moving the cause the disease-effecting a radical cure. Billious attacks are, cured, and, what etter, prevented, by the occasional use of
