SECRETARY'S OFFICE,

Terento, 17th April, 1858. His Excellency the Governor General has been pleased to make the following ap-

protection of the Indian Lands in Upper Canada from trespass and injury, &c.

Ministry the necessity of making the Seat Gulph, Gentleman, to be Landing Waiters of Government a Cabinet guestion. That, and Searchers in Her Majesty's Customs.

> MILITARY DISTRICT NUMBER THREE UPPER CANADA. the County of Frontegac.

Captain John Flanigan, vice Strange, re-Lieutenant and Adjutant John Doff, vice

ANNUAL MUSTER, UPPER CANADA.

His Executency the Right Honorable

THE SEAT OF GOVERNMENT.

The ministry are trying to play a deep. game with the Quebec members on this question. A public meeting in the ancient capital declared against Mr. Labouchere's The Act for the preservation of game is decision, and the inclinations of the eastern now in force :- Sect. 5 enacts that 4 no members generally take the same course. wild awan, goose, or duck of the kinds To change their views, the ministry are mise, and a shameful one it is. There is By a subsequent clause, the penalty for not a building belonging to the Province in Government goes there, buildings must be erroted or hired, and fitted up, at an enermons expanse, and with very great detriment to the public service. If this were done on the alternate system, there might be an excuse for it; but when the permanent system has been formally adopted, and it is proposed to make Ottawa the estabrant to the effect that the Sheriff of Que- | culars as to make the proof of its falsity | lished, the following items for the Militia | lished seat of Government, any intermediate change would be monstrous, and can never be sanctioned by Parliament. The Ottawa people say they can find temporary accounmodation for government as good as could be had in Quebec, and, if they could not, it would be much more reasonable to remain in Toronto till buildings could be erected than Lucknow by telegraph comes down to the Conscent Lodge and a number opinion of honorable members with regard possible, ander such circumstances, that he ". If any sensible person will say that go to Quebec. Ultawa people see very to the conduct of the Sheriff. If the would resert to the desperate expedient these Feather Bed Soldiers have served the clearly that if they do not secure the prize The Montrealers do not like it either, and as for Western men, we doubt whather there is a single member who would peril bis popularity by westing for such a proposition This grand idea of the premier, therefore will not get him out of his difficulty.

The people of Ottawa are becoming aware Brighton Flag.

We have heard of a case lately in which a county judge gave Bivision Court Clerk.

Brighton Flag.

The curious in such matters can see it for their feelings on the subject may be judged would be the natural course for him to purate themselves, and thereby save as any description of it. It is hard to say, however, their feelings on the subject may be judged themselves, and thereby save as any description of it. It is hard to say, however, their feelings on the subject may be judged to the fullowing extract from the Union in the subject may be judged to be pursued by the false affidavit tion of it. It is hard to say, however, the false affidavit tion of it. It is hard to say, however, the false affidavit tion of it. The trial of the King of Delhi has now ships to his son, who sold them afterwards to words were omitted, still it was the duty thus prepared, and calmiy await the issue? which is the greatest nevelty—this stray the Administration in reference to the Seat of Government, is still wrapped in impenstrable mystery. What this portends, we confess our inability to suggest. There is ' something rolten in the State of Denmark.' Is it true, - can it possibly be true, that there are dissensions in the Cabinet upon this important question? Has treachery in high places extended to such lengths that the pledged word of a Minister,-nay, of The steam frigate Susquehannah is in two Ministers given deliberately on the spot, quarantine with yellow fever on board. | -that, by the Queen's decision the Adminseveral affidavits before he read one which The fever first made its appearance on the intration would stand or fall-possesses

New York, April 17. Details of the recent Indian massacre in British Honduras are received. When the Indians took the town of Beccalan, they killed upwards of one hundred persons, and captured forty, thirty of whom were The magnificent screw propeller "On- women. These were subsequently mas-
