vocalist, who has delighted our citizens for was also were her by one of the most gifted sons of Cana- power fereibly to express its indignation. Oh! da, entitled "Jessie Brown, or the Siege of for a hundred horse sledge hammer to smash Lucknow," also the celebrated New York | the vile standerers! Chimney Sweeps' Refrain, written for her, and exhibiting such resources of vocalization as it is believed are possessed by few others now before the public. The programme of other songs is varied, and with give or take quarter. It is not our custom, in they are harmless against the man at a great centre of attraction for To-Night.

The Daily British Whig.

"Opifer per Orbem Dicor."

FRIDAY MORNING, JULY 23, 1838.

THE QUEEN VS. HENRY O'HARA.

Mr. Justice Coleridge ruled, that on apbulous extent by Ministerial bounty. Then,
plication to bail a prisoner charged with a we were singled out by name as large speculathe editors and proprietors of the Colonist with being contractors for keeping a portion to be that in which it chargest with being contractors for keeping a portion to be that in which it chargest with being contractors for keeping a portion to be that in which it chargest that there had no been a seen as to be that in which it chargest the colonist with being contractors for keeping a portion to be that in which it chargest the colonist with being contractors for keeping a portion to be that in which it chargest the colonist with being contractors for keeping a portion to be that in which it chargest the colonist with the colonist with the colonist with being contractors for keeping a portion to be that in which it chargest the colonist with the colonist with the colonist that there had no colonist to be that in which it chargest the colonist with the colonist that the colonist that the colonist that there had no colonist to be that in which it chargest the colonist to be that in which it chargest the colonist to be that in which it chargest the colonist to be that in which it chargest the colonist to be that in which it chargest the colonist to be that in which it chargest the colonist to be that in which it chargest the colonist to be that in which it chargest the colonist to be that in which it chargest the colonist that the colonist that the colonist the colonist that the colonist the colonist that the colonist that the colonist the colonist that the colonist that the colonist that the colonist that the colonist the colonist that the colonist that the colonist that the colonist that the colo bility of the prisoner's appearing to take his | time for the payment of justalments. Then, | failed to perform the work according trial ; but on app'y ng that test the Court or | again, we were reminded that a mortgage upon | contract, that they are daily liable to a ne Judge will not look to the character or be- some undefined property will mature in Octo- fication, that the contract is void; and were Wilkinson, re-assembled a few days ago, haviour of the prisoner at any particular time, but will be guided by the nature of the crime charged, the severity of the punishment that may be imposed, and the probability of a conviction. Therefore where
the evidence was strong against a bankrupt,

the evidence was strong against a bankrupt,

other causes of our quarrent.

It will the deliver an ultimatum, fixing the period for the accomplishment of those resolutions.

The coil at the time of its failere, and may have
denies that the mesponsible editors and onist denies that the mesponsible editors are signs that for the onist denies that the mesponsible editors are signs that for the onist denies that the mesponsible editors are signs that for the onist denies that the mesponsible editors are signs that for the onist denies that the mesponsible editors are signs that fo committed to prison on a charge of concealing a part of his estate, which is an offence subjecting the party convicted to transportation for life, Mr. Justice Coleridge refused to allow him to be bailed. And in Barthe-

court. The prisoner, O'Hara, is charged ments such as belits a common secondrel, with a very grave offence. Shooting at a despise them. It was enough for us to know the base of the archangel when he were conscious that we could afford to the archangel when he were conscious that the archangel when he were conscious that we could afford to the archangel when he were conscious that are the archangel when he were conscious that the archangel when he were conscious to the archangel when he were conscious that are the archangel when he were conscious to the archangel when he were conscious to the archangel when he were conscious to the by the 10th Section 14 & 15 Victoria, Cap. er they be, will bear the scratiay of business mean to have nothing to do with them; but and who still spending at that rate-prothe 11th Section of the Act, it is enacted that "whosever, unlawfully and malicious-y, shall shoot at any person with intent to am, disfigure or disable such person, or directly, nor through others, have we solicited to make the content of the Colonies; and the content of the Colonies is the content of the Colonies. The colonies is the content of the Colonies is the content of the Colonies is the content of the Colonies. The colonies is the colonies is the colonies is the colonies in the co the discovered that it is some greivous bodily harm to such person, shall be guilty of felony, and being considered the color of the Court, to be imprisoned at hard labor in the Provincial Penitentiary for the term of his natural life, or for any term not less than three years. For observed the color of the term of his natural life, or for any term not less than three years. For observed years. For observed years, we have talents and account of the clores who have talents and account the discovered that it is not all. There are that it is may be discovered that it is not all. There are that it is may be discovered that it is some of the clerks who have talents and account the connection of the tiovernment.

It adds too that if it he indusped in to he extent is an ality, that if it he indusped in to he extent is an ality, that if it he indusped in to he extent is an ality, that if it he indusped in to he extent is a small; but that is not all. There are that it is some of the clerks who have talents and account the connection of the clorer one of the clerks who have talents and account that the connection of the clorer one of the clerks who have talents and account that the connection of the clorer one of the clerks who have talents and account that the connection of the clorer one of the clerks who have talents and account the connection of the clorer one of the clerks who have talents and account that the connection of the clorer one of the clerks who have talents and account that the connection of the clorer one of the clerks who have talents and account the connection of the clorer one of the clerks who have talents and account the clerks who have talents and account the clerks who have talents and account that the connection of the clorer one of the clerks who have talents and account the clerks who have talents and account the connection of the clorers who are information.

It as that if it is the interest of that it is a small or that the connection of the clerks who have talents and account the connectio serving, that the evidence, as disclosed in the depositions, is positive, not circumstantial portion of the Grand Trunk Railroad in the charge is a very grave one—the ishment, if convicted, will be severe.—

It is averred that the Colonist editors and proprietors are the contractors for keeping a certain prietors are the contractors for keeping a certain prietors are the contractors. This may be the case in so far as regards repair; that in consequence of non-perform the Globe of Yesterday.
