Opinion of the London Press.

As might naturally have been expected,

either with much attention or much respect In this country we all know that the Conspiracy to Murder Bill was introduced with the cordial and almost unanimous support of the Conservative party, and that, after the sudden and unexpected rejection of that wence of a fortuitous combination of the Conservatives and Radicals, the Opposition in the moment of victory, declared that the ment to the eighth clause, was adopted. The Report of Committee on Expenses of synod was presented by Rev. Dr. Fuller. The Committee could not recommend an immediate reduction of the assessment for the discusse.

Rev. Dr. Shortt read the Report of the Committee on Lessening Drunkenness. The Committee on Lessening Drunkenness. The report is of considerable interest, and enters at length into the causes of intemperance, and goes to show that the repeal the Prohibitory Liquor Law in the State of Maine was marked by an increase of crime to such an extent as to cause its immediate remarked by an extent as to cause its immediate recommend.

The Committee on Expenses of the Local Committee of the Executive, which can only be interpreted in one way—namely, as justification of the Conduct of his former advisers—is a proceeding which appears somewhat strange to English notions. His Excellency should have left the vindication of his policy to his Colinet, and should not, pen in hand, have descented into the arena of party politics, and extent as to cause its immediate recommend.

On the 7th (19th) August arrived at St. Petersburg, whence he proceeded immediately to Petersburg of the Local Committee of the Provincial Agricultural Association was held on Saturday last, E. W. Thompson in the exact of the Provincial Agricultural Association was held on Saturday last, E. W. Thompson in the exact of the Provincial Agricultural Association was held on Saturday last, E. W. Thompson in the exact of the Provincial Agricultural Association was held on Saturday last, E. W. Thompson in the chain on the conduct of his former advisers—is a proceeding which appears somewhat strange to English notions. His Excellency should have left the vindication of his policy to his Called No. Carl, D. B. Read, Fleming, Edwards, and Capt Shaw.
