THE PUBLIC generally are hereby notified that the Steamers of the Union Forwarding Company have commenced their regular trips for the season, and that the Steamers

'Pontiac,' 'Emerald,' and 'Oregon,'

have been during the past winter very carefully and perfectly over-hauled and put into excellent order and condition. The Boilers of the 'Emerald' and 'Oregon' have undergone thorough repair, and are pronounced, so far as safety is concerned as good as new. Every requisite and attention, as by law directed, for the safety of passengers has been strictly attended to; and until further notice their Days of Sailing will be as under:

Downwards, from the Rapids des Joachim, passing through Deep River by Day-Light,

Str. PONTIAC, Capt. Jno. G. Cuming, Will leave Des Joachim on Fridays at 6 o'clock a. m., touching at intermediate Stopping places—Arriving at Pembroke at 10 a. m., in time for Stages & Steamer to Portage-du-Fort.—Connecting there with steamers 'Oregon' and 'Emerald' on Saturdays for Ottawa City and intermediate places.

Str. OREGON, Capt. M. Billiard.

Leaves Portage-du-Fort on Tuesdays, Thursdays, and Saturdays at 7 a. m., touching at Castleford (Farrell's Wharf), Bonnechere Point, Bristol, Sand Point, and Arnprior, arriving at Union Village at 10 a. m.,—there connecting by Rail over Chatts Portage (4 miles) with the steamer Emerald for Aylmer and intermediate places—arriving at Aylmer at 3:30 p. m.

Str. EMERALD, Capt. T. A. Cuming, Leaves Aylmer on Tuesdays, Thursdays & Saturdays, at 7 a. m., touching at March, Rocky Point, Crown Point, Quio, Fitzroy Harbor and Pontiac—there connecting with the steamer Oregon for Arnprior, Sand Point, and other stopping places en route—arriving at Portage-du-Fort at 4 p. m., where passengers take Stage for the Interior and Upper Ottawa—connecting at Pembroke with the steamer Pontiac.

Str. PONTIAC, (Upwards,)

Leaves Pembroke on Mondays at 9 a. m.—touching at Pittewawa, Fort William, Point Alexander, and other intermediate stopping places—arriving at Des Joachim early in the afternoon of the same day.

Parties travelling for pleasure, or otherwise will notice that these vessels ply together in Day Light, consequently every opportunity of seeing and enjoying the beautiful and magnificent scenery of the Ottawa is afforded—and particularly that of the Deep River, which is passed, downwards, by early sunrise, and upwards in the afternoon.

Parties of Pleasure, desirous of visiting the Upper Ottawa can be accommodated on reasonable terms by special arrangement, timely notice being given to make connections off regular day trips.

These Steamers will be prepared to Tow Rafts, Logs, &c., when off trips, at reasonable rates by the hour, mile or job, as may be agreed upon.

Freights received daily. (Sundays excepted,) from 7 o'clock a. m., to 8 p. m., and forwarded with care and dispatch.

To prevent any misunderstanding or trouble hereafter, notice is hereby given that the Union Forwarding Company will not grant receipts for quantity or quality of whatsoever it may be; and that all Liquors, Wines, &c., badly coopered, or put up in bad casks, leaky, &c., shall be and will be carried at the owner's risk.

Syrups, Oils, Molasses, Beer, Ale, and Porter will be received and carried at the owner's risk in all cases, at any time during the season. Powder will be carried by special arrangement only, and safely packed. The Company will not be responsible for any loss or damage to Crockery or Glassware received in a frail condition, nor for Mirrors or Clocks, or for Castings, or any such brittle wares or metals, or for loose Furniture, the Trans-shipping and Portageing en route requiring and exacting from Shippers more care and attention to the putting up of packages than has hitherto been manifested, and consequently losses to the carriers. This the Company wish to avoid.

Passengers' baggage at their own risk, unless specially given in charge to a servant of the Company and entered as freight, and charged for accordingly.

The Company having in the past season sustained heavy losses by the too general credit system, are forced to notify parties still indebted that any further accommodation must be refused until arrears are paid, and arrangements made for the future; and also that all accounts for freight or passages are considered due when rendered, and expected to be met in the same spirit as contracted.

A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.

Seventy Engravings. Price 1s through all Booksellers, or post free from the Author for 14 postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications, rules for self treatment, &c. By Walter De Roos, M. D., of the Ecole de Medicine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c., 10, Berners-street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.

Sold in Dublin by Beary, 162 Great Britain street; Edinburgh, Robinson, 11 Greenside st.; Glasgow, Love, Bookseller, and by all the Agents.

From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c., have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr D. R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicine sufficient to meet the exigencies of the case, sent out by next mail, thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROOS' GUTTÆ VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c., are too often employed to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s, and four times the quantity at 33s per bottle of the Agents below. The £5 packages containing twelve 11s quantities, (by which £1 12s are saved,) will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words 'Walter De Roos, London,' are printed in white letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s 8d, 4s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 19, Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may, without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

Sold at Langley's Drug Store, Hollis-street, Halifax, Nova Scotia; by Hazzard, Charlottetown, Prince Edward Island; Ward, News Office, Sidney, Cape Breton; Ashton, Richardson & Co., Mount Road, Madras; Hulse & Nephew, Agra; Treacher and Co., Poonah and Kurrachee, Smith & Co., Clark, Romer & Co., Scinde; Dodsworth & Co., Clark, Romer & Co., and Gawin & Co., Colombo and Candy; Lyman & Co., Montreal, Pestongee & Co., 1, Military Square, Bombay; R. Ross Laboratory, Falmouth and Lawton, Advertiser Office, Kingston, Jamaica; Beichmann & Taitt, Port of Spain, Trinidad, Heagan, Weekly Register Office, Antigua; Hayluck, Belize, Honduras; E. H.
