PURE COD LIVER OIL.
To the Medical Profession, and the Public in general, who frequently have been in many instances imposed upon, by a spurious substitution of a valuable MEDICINE.
IN consequence of the want of a ready Chemical test, to ascertain the PURITY OF COD LIVER OIL, much to an ADULTERATED and inferior description has been introduced into the Market, and sold as Genuine. Under these circumstances, and as the public are altogether dependent upon the character of the MANUFACTURER for the
PURITY OF THE ARTICLE.
I respectfully announce that I have appointed Mr. CHARLES BRENT, Apothecary & Chemist of Kingston, C.W. Sole Agent for the Sale of my
